

Corvette Club of Northeastern Pennsylvania Pocono Driving School

CCNEPA will be hosting a driving school at Pocono Raceway on Monday May 26th (Memorial Day)

We are looking for novice and experience drivers to participate in this event. There will be limited openings for novice drivers who require an instructor. We will provide instructors at the track.

The day will consist of running the 2.5 mile road course. There will be four separate groups running at different times according to type of car and drivers experience.

There is a limited amount of spots open, so please register as soon as possible. If our school is filled, you will be notified and put on a waiting list for any openings that come available.

This is one of the few events in the East Region that you can earn your NCCC High Speed License at.

May 26th
