Secretary's Report - Bill Trethaway

A motion was made, seconded and passed to accept the Minutes from the December 2, 1995 East Region Governors Meeting as printed and distributed to the governors.

Treasurer's Report - Bill Trethaway

East Region Treasurer Karen Sellers could not attend the meeting due to severe weather conditions in the State College Area. A copy of the Treasurer's Report that she prepared in the following three parts is included with these minutes:

1. Year-To-Date Cash Flow Report for the period from January 1, 1995 to December 31, 1995.
2. First Period Cash Flow Report for the period from December 1, 1995 to January 20, 1996.
3. Ginnie Mae Account Statement as of December 31, 1995.

A motion was made, seconded and passed to review the January Treasurer's Report at the March East Region Governors Meeting.

Regional Membership Director's Report - Bambi Lyberger

East Region Membership Director Jeff Port could not make the meeting due to severe weather conditions in the State College Area. Bambi welcomed Greg Smith, Governor of Beachcombers Corvette Club, to the East Region. Beachcombers Corvette Club from Virginia Beach, Virginia transferred from the Carolina Region to the East Region because of the recent NCCC Regional Boundary changes. The East Region now includes the entire State of Virginia. Our next goal is to have the East Region Boundary include the entire State of Pennsylvania.

Bambi reported that Jeff Port still had to resolve some minor problems related to the East Region Clubs 1996 NCCC Membership Renewals. Jeff expected to work with the individual clubs to resolve these problems as soon as possible.

A discussion was held concerning notification to new members of NCCC. A member who joins NCCC in late August of one year could wait until February of the next year to hear from our National Membership Committee. During this period of time, the new member does not have an NCCC Membership Card or an NCCC Rulebook. Lonnie Jackson of the Lancaster County Corvette Club said that his club sends new members a "welcome letter" as soon as they join the club. This is good but the new member has still not been acknowledged on the regional or national level. It was suggested that Jeff Port bring this problem to the attention of the National Membership Committee at their next meeting in February 1996. A possible solution would be a form letter or a post card from both the Regional Competition Director and the Vice President of Membership welcoming this new member to NCCC. A temporary membership card showing the new member's NCCC Number would also be desirable. It was the general feeling that the long period of time that a new member has to wait to receive regional and/or national membership notification makes it more difficult to get this member to renew his NCCC Membership. It was also suggested that now may be the time to hire a paid National Membership Director who can spend full time handling NCCC Membership matters. It was a general consensus of the East Region Governors that NCCC new member notification is a very serious problem that should be addressed by the NCCC National Membership Committee as soon as possible.

Regional Competition Director's Report - Bambi Lyberger

Bambi Lyberger distributed a copy of the "1996 Competition and Non-Competition Guidelines" and a copy of the "1996 Paperwork Deadlines" to all governors at the meeting. Bambi included seven copies of the sanction request form, seven copies of the event flyer form and seven copies of the event results form to be used in 1996. Also included were copies of the various concours forms as well as tech sheets for speed events, rallyes and funkhanas. Bambi said that she would mail a similar package of guidelines, deadlines and forms to the governors who were not in attendance. **Bambi stated that she plans to strictly enforce all of the competition guidelines and paperwork deadlines!!**

Bambi asked if there were any changes to the 1996 East Region Competition Calendar included with the December 1995 East Region Minutes. The only change was to move E-063 BACC Concours from Sunday, March 17, 1996 to Sunday, April 14, 1996.

Bambi noted that the 1995 East Region Competition Trophy and Clothing Awards will be presented at the March East Region Governors Meeting. Scott Cox produced the "Mileage Reference Table" to compute distances between East Region Clubs using an "Automap Program" on his computer.

Bambi presented "highlights" of the new NCCC Competition Rulebook which will be in use in 1996, 1997, 1998 and 1999. There is a new group for speed events - "Group I Street" - for Corvettes with no modifications including original size OEM tires. Autocrosses and Matching Time Trials are now separate events that cannot "share" run times. High Speed Certification now involves seven speed events held on at least three weekends. Recognized Driving Schools (Car Guys, SCCA, etc) can be used in place of the seven speed events. There is a new tech sheet for rallyes and a new tech sheet for funkhanas. The rallye minimum mileage is now 10 miles per rallye and there is a 4 mile notification restriction between clues. The new type of concours is a "People's Choice Concours" where all entrants receive 3 points. Please remember to specify whether the concours is a "Regular Concours" or a "People's Choice Concours" on the event flyer. A "Regular Concours" and a "People's Choice Concours" cannot be held on the same day unless they are separate sanctions at the same location or the events are 150 miles apart. The Concours Custom Class has been split into: 1953-1982 and 1984-1996. Concours class changes end one hour before close of registration. Please consult your new rulebook for concours points which have changed from last year. Information about "Restroom Facilities" and "Refreshments" (Available/Not Available) should be included on each flyer. A copy of the new NCCC Competition Rulebook must be available at all sanctioned events. The maximum number of events that can be held in the East Region on any given day is seven.

On the regional level, Bambi reminded the governors that the East Region Trophy Fund increased from 25 cents to 50 cents for each NCCC entrant and each NCCC worker at East Region sanctioned events effective January 1, 1996. Bambi also noted that the Regional Autocross/Concours/Rallye Points Calculation Method would include travel points beginning in 1996.

Regional Executive's Report - Bill Trethaway

East Region Executive Tina Gittleman could not attend the meeting due to the severe weather conditions in the Olyphant Area.

Bill Trethaway led a discussion of the auto insurance program for NCCC Members presented by Rally Insurance Company at the November National Governors Meeting. It seems that Rally Insurance Company is mainly interested in insuring antique, classic or collector Corvettes that are not driven on a regular basis.

Rally Insurance Company will give you a quote for auto insurance on a Corvette that is driven on a regular basis if you call them on their 800 number and remind them that they offered auto insurance for "Daily Driver Corvettes" as part of their presentation to NCCC in November.

The Spring 1996 issue of the "East Region Newsletter" will be the final issue because it is not self supporting after one year and also because Jeff Port has resigned as Editor due to work commitments.

After lunch, a discussion took place concerning the Sheraton Working Lunch Buffet. Most agreed that the buffet had good food at a reasonable cost and that the meeting and lunch setup fit well with the East Region Governors Meeting Schedule. Dave Walter checked with the Park Side Cafe in Harrisburg as a possible site of East Region Governors Meetings but found out that their kitchen does not open until 4:00 PM on Saturdays. Gus Bartoli reported that the Hampton Inn on Union Deposit Road in Harrisburg did not have space available for meetings on the 1996 East Region Governors Meeting Dates.

The deal we have worked out with the Sheraton Inn involves getting a free meeting room in exchange for purchasing a minimum of twenty lunch buffet meals at approximately \$11.00 each including tax and gratuity.

A motion was made, seconded and passed to hold the five remaining 1996 East Region Governors Meetings at the Sheraton Inn with the same arrangements as the December 1995 and January 1996 Meetings. The East Region Treasurer will collect \$10.00 from each person that eats a meal with the East Region paying the balance.

Since no one has volunteered to serve as East Region Secretary for 1996, Bambi Lyberger has agreed to perform the duties of Secretary until a candidate can be found. Bill Trethaway asked all of the governors to recommend someone who will serve as Secretary in 1996 since Bambi's duties as East Region Competition Director will take a great deal of time to perform.

Bill stressed the importance of attendance at East Region Governors meetings. Each governor should try to attend as many meetings as possible. These meetings are important for conducting regional business and serve as a forum for the regional officers to report to the regional governors what is going on at the meetings that they attend at the national level. If a governor is not able to attend a particular East Region Governors Meeting, it is recommended that a proxy governor be selected to represent that club at that meeting.

The meeting was adjourned at 2:15 PM. The next East Region Governors Meeting will be held at the Sheraton Inn in Harrisburg, Pennsylvania at 11:00 AM on Saturday, March 30, 1996.

Respectfully submitted,

Bill Trethaway
East Region Secretary

Secretary's Report - Bambi Lyberger

A motion was made, seconded and passed to accept the Minutes from the January 30, 1995 East Region Governors Meeting as printed and distributed to the governors

Bambi also thanked Bill Irethaway for typing the minutes from the January meeting.

Treasurer's Report - Karen Sellers

Karen gave the current balance in the account of \$1,724.38. Due to a computer error, she did not bring copies to the meeting. They will be enclosed in the minutes.

Regional Membership Director's Report - Jeff Port

Jeff made copies of the Master Book for each club. He also has membership forms available. He found that most of the problems with members not receiving their renewal packets was due to incorrect addresses.

There are two new clubs in the East Region and were represented at the Meeting. They are:

**Aquia Creek Corvette Club, Stafford, Virginia
Capital Area Corvette Club, Olney, Maryland**

The new NCCC Charity is the **National Kidney Foundation**. Those in attendance viewed a video tape about the organization. The tape contained video and discussion with the 1994 US Transplant Games. The tape was approximately 15 minutes long. Tina Gittleman handed out the local National Kidney Foundation Organization addresses for East Region locations.

Regional Competition Director's Report - Bambi Lyberger

At the January meeting, Bambi presented Lonnie Jackson with a 1995 Outstanding East Region Governor certificate. Roland Driver was presented with the Outstanding East Region Governor certificate at the March Meeting. These certificates were presented for correct and timely paperwork, events organization, and governor's participation and administration of the NCCC program.

Bambi handed out the 1996 Events Calendar, effective as of March 17, 1996. There were several additions to the calendar:

June 9	E-079	CVCC Autocross
June 29	E-080	CVCC Autocross
June 30	E-081	CVCC Autocross
Sept 8	E-082	ADCC Concours

There was one change of address:

ER-031 County Corvette Association
Stan Bachmura
10 Savannah Drive East
Bear, DE 19701
(302) 834-5457

Bambi stated the addition of the 2 new clubs requires a change in the written postage amounts listed in the RCD guidelines. The **NEW** rates are: Either check for \$14.40 made payable to Bambi Lyberger, or 45 stamps. A check is the preferred method of payment due to administrative logistics.

A reminder: If you send an inadequate number of copies to her (flyers, results, etc.) your club **will be assessed \$1.00 per copied page**. Remember, you need to send in 3 copies of the sanction request, 50 copies of the flyers and 3 copies of the results.

A reminder: There are two types of waivers; one for rallies and economy runs and the standard one which is used for all other types of events. Be sure to use the correct waiver. This is an insurance requirement that must be met!

Bambi went over the National Competition Committee Clarifications from the February 23, 1996 Meeting. These are included in the back of the National Minutes sent to each Governor.

Several items were handed out. They are as follows:

1. 1996 East Region Competition Schedule (3-17-96)
2. 1996 Club Home Towns
3. 1996 East Region Mileage Reference Table
4. 1996 East Region Officers and Governors (3-23-96)
5. 1995 National Competition Results
6. 1995 National Points Standings Trivia

The 1995 Apparel Awards were not at the meeting. They are being worked on and will be at the June Meeting. The 1995 Regional Patches for the individual events were handed out. There were some errors, which are being corrected. The 1995 Overall East Region patches will be at the June Meeting.

Lancaster County Corvette Club was awarded the 1995 1st Place Club Bowl.

Two leadership awards were presented. **Jeff Port** was presented the RMD Award for the years of 1993-1995 and **Bill Trethaway** was presented the Regional Secretary Award for 1995.

K&K Optional Coverage Forms for autocross were sent out in a 2nd mailing due to incorrect copies in first mailing.

A question was raised at the January meeting in regards to having a People's Choice and Regular Concours at the same site. Ruling is that a People's Choice can be held at the same site, or held at the same time as a Regular Concours, but each event must have a separate sanction.

Regional Executive Report - Tina Gittleman

Jay Gittleman resigned from the Convention Steering Committee.

NCCC has been fined a penalty by the IRS. It is a \$17,000 fee for not filing or late filing. NCCC has paid the penalty, but is pursuing a course of action to get the money back.

There will be **NO** Corvette Dream and Drive in 1996. However, there will be a Cadillac Dream and Drive in selected cities. Money awarded is \$1,250.00 for one day and \$3,000.00 for an entire weekend.

There were two NCCC Standing Rules changes in 1995. A suggestion was made that the National Distribution Center send out a coupon for obtaining copies of these for insertion in to the rule book.

An idea was brought up about giving the Governors the option between 4 or 5 charities to choose from and let the governors vote on it.

A motion was made at the February National Governors Meeting to allow "warm body" vote for National Meeting Sites. This was tabled until the next National Governors Meeting. A **regional vote** was taken and the region decided unanimously to vote **against** this proposal.

There will be **NO** Bowling Green Corvette Plant Tours after April 4, 1996 due to the new 1997 Corvette.

A question was asked about clubs having to file tax forms. Forms need to be filed for any incorporated body or non profit organization. You **MUST** check your local state laws. It is recommended you secure the services of a CPA or Tax lawyer for the correct and proper action.

Old Business

The Newsletter should be out in the next couple of week Jeff is working on it and will get it to the printer as soon as possible This will be the final issue of the newsletter due to lack of advertising support and general club interest

Jeff Port announced that he was stepping down as Regional Membership Director and **George Fanucci** volunteered to take the position A unanimous vote was recorded electing George as the new RMD for the remainder of 1996. (1997 Region Officer elections will be held in October.)

ER-430 Aquia Creek Corvette Club
Sandy Thompson
2211 Harpoon Drive
Stafford, VA 22554
Phone: (540) 659-5263 Home

Treasurer's Report - Karen Sellers

Karen handed out the following:

- 1) Third Period Check Register Report (3/30/96 through 6/6/96)
- 2) Year to Date Cash Flow Report (1/1/96 through 6/6/96)

There was no current report for the Ginnie Mae Fund. (Note: Ginnie Mae Fund is approximately \$8,000.00. The checkbook balance is \$1495.72. A motion was made, seconded and passed to accept the Treasurer's Report as presented. A motion was made, seconded and passed to transfer money from the Ginnie Mae to pay the Moritz bill for 1995 East Region Clothing Awards.

Regional Membership Director's Report - George Fanucci

George noted that the East Region has a total of 5,679 members in the Master Region Membership List. 1,639 of these members are active in 1996. Lancaster County is still the largest club in the East Region and also the largest club in NCCC.

George provided each governor a list of all members in all East Region clubs with their NCCC numbers and their "official NCCC names". This list will help the governors and event chairmen when they complete NCCC Event Results. George asked all governors to check their NCCC printout for correct information. If you need a new member's NCCC number, you can call George.

George plans to get a supply of temporary NCCC membership cards from National and then send them back to the governors when he receives a new membership application. He has typed all of the names and NCCC numbers from the East Region master list into a computer file that he can access to get membership information.

Regional Competition Director's Report - Bambi Lyberger

Bambi handed out the 1995 East Region Competition Season awards.

Bambi distributed the "East Region Competition Report" (June 6, 1996). She reviewed the standings (overall points, clubs, Autocross, Concours, Rallye and Workers), the Trophy Fund Data, and the 1996 East Region Competition Calendar.

Two events were added: Sept 7 CPCC Concours E-094
CPCC Funkhana E-095

Bambi also distributed a "Results Error Log" as of 6/6/96 for 1996 East Region Events and a checklist of items to help complete an NCCC Event Completion Summary Form.

She also handed out a computer generated "NCCC Events Completion Summary Form" that has more space to write in the name and NCCC number than the form in the NCCC rule book. Either form can be used to send in results. In addition, she handed out an abbreviated guideline for completing results forms. The guideline has a preferred order and grouping of classes to use on results. She also noted the new rule book was different for determining FTD for Group IS. First, Group IS has its own group FTD.

Bambi also emphasizes the need to observe safety needs and to follow the rules as established in the Competition Rule Book. For each event, checking the rule book before the event starts will help resolve many problems. The event Chairman is the first in line to resolve any problems, and must be thoroughly familiar with the rules. Next, the governor should serve as the intermediary before the RCD is called:

- ** Check rule book and go to governor first
- ** Governor should go to RCD with problem
- ** Be sure you follow the NCCC rules from a safety standpoint. Safety is logical --don't be illogical in your event setup

Regional Executive Report - Tina Gittleman

Tina mentioned some K&K Insurance issues:

- 1) State laws take precedence over NCCC rules (regarding speed limits, headlights, following distance, etc in a Corvette caravan)
- 2) NCCC Insurance waivers must be signed at all non sanctioned events sponsored by a n NCCC club (THIS IS A SMART THING TO DO ANYWAY!).
- 3) You do not need to apply for a non sanctioned number for a non sanctioned event; however, it is advisable to do so

Old Business

Temporary membership cards will be sent back to governor by East Region RMD

New Business

At National, Mike Bell of the Central Indiana Corvette Club proposed an NCCC Bylaws amendment to eliminate the use of regional proxy votes when selecting the NCCC National Meeting Sites. (see NCCC May 11, 1996 National Minutes)

Some NCCC members want to move the National Meetings to St Louis, Missouri This is not a good option for some of the East Region Officers and Governors due to additional travel expenses.

A vote will be taken on this Bylaws Amendment in November The East Region officers recommend that all East Region Governors vote against this amendment

Scott Cox, Governor, Hampton Road Corvette Club, recommended that a synopsis of all such discussion be put in the East Region Minutes for all governors to review

The 1997 National Governors Meeting dates are as follows:

February 21 and 22
May 9 and 10
September 12 and 13
November 14 and 15

The 1997 National Convention will be held in Cleveland, Ohio.

A discussion about the rule books being part of an NCCC membership package Members do not want to send "a coupon back" plus a stamp to get a new rule book

At the August Regional Meeting, nominations will be held for the 1997 Regional Officers.

Gary Daugherty, chairman of the Charity Committee, stepped down and Jerry Britner, MCCC President, appointed Patrick Dolan as Head of the Charity Committee. Jay Gittleman noted that Gary Daugherty, Director of the NCCC Charity Committee, decided to take a "leave of absence" for personal and business reasons Britner appointed Dolan as Director of the Charity Committee until Dolan returns

The NCCC Raffle Car is now a separate entity. The proceeds from the annual raffle will not be co-mingled with the NCCC treasury. Each governor should have received 50 raffle tickets to sell. The raffle ticket mail-in deadline is June 30, 1996 However, tickets can be hand carried to convention and placed in the barrel until the drawing takes place

George Gallant led a discussion about the NCCC Car Raffle. Why don't NCCC members buy more tickets? NCCC President raised ticket prices from \$5.00 to \$10.00 this year Possibly, the change of charity from Spina Bifida to the National Kidney Foundation may have some influence. We now employ a computer company that has, for the most part, replaced the Charity Committee

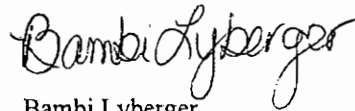

George further related that he thought the reason for the change of charities was due to problems with the people at the top of NCCC NCCC had built up a 15 year relationship with Spina Bifida. All Spina Bifida did was: (1) Ask for a commitment from NCCC; (2) Ask to look at NCCC Charity record books; and (3) Ask for an account of the dollars that NCCC raised for charity.

The 1995 NCCC Raffle Car was an Indy Pace Car (rare car). It sat in the dealership in California and was delivered to the Palm Springs Convention two days before the NCCC Convention

The meeting was adjourned at 2:00 PM

The next East Region Governors Meeting will be held at the Sheraton Inn in Harrisburg, Pennsylvania at 11:00 AM on Saturday, August 10, 1996.

Respectfully submitted,

Bambi Lyberger
Regional Secretary

- 2) Cash Flow Report (1/1/96 through 8/3/96)
- 3) Ginny Mae Statement of Account (Period ending 6/30/96)

A motion was made, seconded and passed to accept the Treasurer's Report as presented

Membership Report - George Fanucci

George announced that anyone joining after September 1 is an automatic renewal. If you have people who want to join in August, hold their application until September. Most people do not want to pay dues twice in 3 months of membership.

1997 Renewals will sent directly to each club governor by the middle of October. The deadline for clubs to have them to him is November 30. No exceptions. Any problems will be handled at the December 7th Regional Meeting

Competition Report - Bambi Lyberger

Bambi distributed the "East Region Competition Report" (August 4, 1996). She reviewed the standings (overall points, clubs, Autocross, Concours, Rallye and Workers), the Trophy Fund Data, and the 1996 East Region Competition Calendar

Two events added:	October 20	CVCC Autocross E-102
	October 20	YCCC Concours E-103

One event canceled:	September 21	CA Concours E-040
---------------------	--------------	-------------------

She noted that the October report will be cut off at 15 for overall standings and 5 for individual standings.

Bambi thanked Scott Cox for attending the RCD Meeting at Convention for her. Several items discussed were:

1) A question was asked about why people are allowed to use other people's cars in speed events but it is not allowed in concours. The answer was because in a concours the car wins or loses where as in speed events the driver wins or loses

2 Several clarifications were also handled at the meeting about tires for the street classes. See July National RCD Meeting Minutes for these clarifications

3) Another question also arose about using after market wheels in Group I street. It is allowed if they are the correct size, width and diameter for that year.

Bambi reminded the governors that on event flyers, it must tell if they are restrooms and refreshments available at the event site

She also noted that "SAFETY" is the most important factor at events. An incident occurred at the AACC autocross where a entrant hit a light pole and totaled her car but only ended up with whiplash. Please be aware of all possible safety hazards when holding events.

Regional Executive Report - Tina Gittleman

Tina noted that she was not in attendance at Convention and no one sat in for her at the meeting, so she had nothing to report.

Old Business

Scott Cox gave a short synopsis of convention. He noted that many people entered in the Group I Street class. There were 850 registered at convention.

A question was asked about the cost of regional awards. Bambi noted that she had a copy of the bill and noticed the prices seemed to be high. She is forwarding a copy to Jay Gittleman to check into.

The NCCC raffle car was won by a Florida resident. The profit from the raffle went to the National Kidney Foundation.

New Business

	Deb Murphy
Parliamentarian -	David Pierce
Public Relations -	Larry Narwold
Treasurer -	Betty Parks
VP of Membership -	?

There is going to be a bylaw proposal change to not allow proxies to vote on meeting site changes. Our region is against this bylaw change.

Nominations were held for regional officers. They are as follows:

Secretary -	?
Treasurer -	Karen Sellers
Regional Membership Director -	George Fanucci
Regional Competition Director -	Bambi Lyberger
Regional Executive -	Jay Gittleman

Nominations will be opened again at the October meeting. At that time, voting will take place.

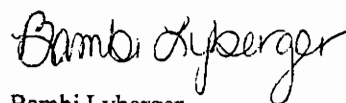

A question was asked about why the proxies were not presented at convention. Bambi explained that she had the proxies to take with her to convention. However, due to her serious heart condition was unable to attend and had the proxies next day aired to Scott Cox. They didn't arrive until Monday after the governors meeting which was held on Sunday.

Bambi noted that we will be picking the dates for the 1997 Competition year at the October Governors Meeting. All governors should have their dates at the meeting or send them, call or E-Mail to her (rcdeast@worldnet.att.net) at least 10 days before the meeting.

The meeting adjourned at 12:30 PM.

The next East Region Governors Meeting will be held at the Sheraton Inn in Harrisburg, Pennsylvania at 11:00 AM on Saturday, October 12, 1996.

Bud Benton	Allentown Area Corvette Club Governor
Brian Gallagher	Tri County Vettes Governor
Don Hobbs	Corvette Annapolis Governor
Stan Bachmura	County Corvette Association Governor
Pat Rudick	Free State Corvette Club Proxy Governor

Secretary's Report - Bambi Lyberger

There was one correction to the August meeting minutes. The governor for Pocono Mountain Corvette Club is John Cantalemo not Ben. A motion was made, seconded and passed to accept the minutes from the August East Region Governors' Meeting with the correction.

Treasurer's Report - Karen Sellers

Karen handed out the following:

- 1) Check Register Report (8//96 through 10/10/96)
- 2) Cash Flow Report (1/1/96 through 10/11/96)
- 3) Ginny Mae Statement of Account (Period ending 9/30/96)

A motion was made, seconded and passed to accept the Treasurer's Report as presented.

Membership Report - George Fanucci

George announced he wants all club renewals by November 15. This is his first time handling renewals and wants plenty of time to get them processed. Also, this gives him chance to get corrections made in time to meet his deadline to National.

NCCC Membership Renewals Packages have been mailed to each club governor by Nancy Sable.

The East Region has 1,748 active members to date and 30 clubs.

Competition Report - Bambi Lyberger

Bambi distributed the "East Region Competition Report" (October 4, 1996). She reviewed the standings (overall points, clubs, Autocross, Concours, Rallye and Workers), the Trophy Fund Data, and the 1996 East Region Competition Calendar.

Two sanctions have been added to the Competition Calendar. They are as follows:

E-104	CVCC Funkhana	12-8-96
E-105	CVCC Funkhana	12-8-96

She noted several errors on paperwork. They are:

1. Flyers - must have each sanction number, chairman name and phone number and event type
2. Results - scores and classes must be filled in on concours results

Bambi noted some areas in the concours events that need to be watched carefully.

1. Clubs need to classify cars to make sure they are in the correct classes
2. Judging follow the order as in the rule book: Exterior, Interior, Engine
3. Judges under no circumstances are allowed to touch cars or get down on their hands and knees to judge cars.

A question has been raised as to the Worker Award program. We started the worker award program back in '95. It gives people the chance to win a regional award without having to participate in an event. All NCCC members should be allowed to work at other club events. However, not all workers may be needed at certain types of events. It is recommended that you call the event chairman in advance to see if they will need help.

Clubs putting on funkhanas need to make sure that they use the four classes listed in the rulebook and give a minimum of two runs.

Bambi thanked Jay for sitting in for her at the National Competition Committee Meeting in Louisville in September. Tire categories and lots of clarifications from the Southwest Region were the bulk of that meeting.

Regional Executive Report - Tina Gittleman

Tina noted that there were minor bylaws changes on the ballot this year. One was for convention profit instead of 60/40 split change to 50/50 split. There was one bylaw that many feel should be voted against. It was eliminating the proxy vote for the selection of the National Meeting site.

There were 710 people registered for 1996 NCCC National Convention in Orlando, Florida. They made a \$14,000 profit.

The 1997 NCCC National Convention is being held in Cleveland, Ohio on July 12-18, 1997. The high speed event is being held at Nelson Ledges. The host hotel is a Holiday Inn. Room rates are \$79.00 plus tax and room surcharge.

Tina handed out to all the governors the 1998 NCCC Convention Bid packet for St. Louis. Colorado Springs was supposed to be bidding for '98 also but withdrew at the last moment.

Old Business

Nominations for Regional Officers were reopened, closed and voted upon. The 1997 East Region Officers are as follows:

Regional Secretary - Bambi Lyberger
Regional Treasurer - Karen Sellers
Regional Membership Director - George Fanucci
Regional Competition Director - Bambi Lyberger
Regional Executive - Bill Trethaway

Some governors had already received their voting ballots for National. Those in attendance reviewed the officer ballots and bylaws. Several recommendations were made.

Bambi mentioned that the checks sent in by advertisers for the East Region Newsletter have never been returned. Karen Sellers said she would make sure this got returned immediately.

Proxy forms were enclosed in each club's renewal package. A recommendation was made to have 6 forms filled out in case something happens to one of the officers so the East Region clubs will be represented at each National Governors Meeting.

New Business

George Gallant suggested that the region think about having a Spectacular or Social event in the region. Governors were asked to take this back to their clubs for discussions and bring feedback to the December Governors Meeting.

Bill Trethaway is checking into having our Regional Meetings in 1997 at the Sheraton Inn again.

The 1997 East Region Competition Calendar was prepared.

The meeting adjourned at 2:20 PM.

The next East Region Governors Meeting will be held at the Sheraton Inn in Harrisburg, Pennsylvania at 11:00 AM on Saturday, December 7, 1996.

Respectfully submitted,

Bambi Lyberger
