9. ER-266 Lancaster County Corvette Club
10. ER-050 Perry County Corvette Club
11. ER-386 Tri-State Corvette Club
12. ER-364 Central Maryland Corvette Club

**Secretary's Report:** Brian Gallagher

A motion was made, seconded, and approved to accept the Minutes from the Dec 6, 1997 East Region Governors Meeting as printed and distributed to the governors.

**Treasurer's Report:** Karen Sellers

Karen handed out and reviewed the Treasurer's Report in the following two segments:

1. Cash Flow Report for the period from 1/1/97 through 12/31/97.
2. Register Report for the period from 1/1/97 through 12/31/97.

An ending balance of \$580.14 was noted. An income & expense graph was shown and a copy of our Dean Witter account balance for 1997 was \$4,474.69.

A motion was made, seconded, and approved to accept the Treasurer's Report as presented.

**Regional Membership Director's Report:** George Fanucci

We have added two new clubs: Lehigh Valley Corvette Association and the Chester County Corvette Club. With 1774 active members, the East Region is now the largest region in the country, with 31 clubs. There are 3 credits due to the following clubs: ER-354 American Dream Corvette Club- \$20; ER-357 Northern Virginia Corvette Club- \$40; and ER-038 Free State Corvette Club- \$10. These are due to overpayment of active members.

**Regional Competition Director's Report:** Bud Benton

Bud reviewed the final competition results for 1997. The Awards are ordered and will be given out at the March 21, 1998 Governors meeting by past RCD Bambi Cox. The East Region will also hand out certificates to all winners suitable for framing. Brian Gallagher will handle the printing. We will open this meeting to all NCCC members who may want to attend & congratulate the winners. The awards ceremony will be held prior to the regular meeting, and the guests are then invited to remain or lounge in the dining area. **\*\*A REMINDER\*\*** As a condition of having our meetings at the Old Country Buffet, everyone is required to purchase a meal, be it breakfast or lunch. Any guests attending are included in this. Please remind your people of this.

The following events have been added to the 1998 East Region Competition Calendar:

ADD:	April 19, 1998 Rallye	Tri-County Vettes
ADD:	May 24, 1998 Rallye/Picnic	York County Corvette Club
DELETE:	June 21, 1998 Rallye	Tri-County Vettes
ADD:	June 27, 1998 Econo-run	Central PA Corvette Club

**Regional Executive's Report:** Jeff Port

**OLD BUSINESS:** A discussion was held regarding our meeting location. This location in Mechanicsburg, PA was easy to find. The location in Harrisburg, PA is a bit more difficult. We already have a motion passed to hold the remaining 5 meetings in Harrisburg. The majority of the people attending this meeting agreed that Mechanicsburg would do just fine if it is available. It is a little closer to the southern clubs. Bill Trethaway will look into this. A motion was made, seconded, and approved to move here if possible. Watch your postcards for the decision.

The region is considering a hospitality space at Corvettes at Carlisle for 1998. John Stary, Governor CCNEPA offered his tent to use.

**NEW BUSINESS:**

**Corvette Dream & Drive:** There will be two dream & drives in 1998. The first will be in June in the DC area; and the second in July near Phila. The two clubs who participated in 1997's events will be the first clubs offered a chance to go in 1998. They are Allentown Area Corvette Club and Central Pa Corvette Club. The hosts require about 10 people per day for all 3 days, Friday, Saturday, & Sunday. Jeff will try to let us know as much in advance as possible as it is somewhat difficult to arrange schedules on a short notice.

The East Region should be working towards a weekend spectacular. We will need to address our financial situation very soon, and such an event can be very beneficial to everyone. It would give people a chance to make new friends, we could hold an official awards ceremony, and the Region could make up some funds deficit. The balance in our Ginnie Mae of \$4,474 will not carry us for 2 more years. A discussion was held regarding other ways to improve our cash flow. They were as follows:

1. Standardize trophies. Buy in bulk around 1500 trophies, and add \$1 to each trophy to the clubs. There

is \$1500 easy money. (Bob Lesh TCV)

2. Do away with the awards jackets and shirts. Our events are in the summer and nobody wears them anyway.

3. Charge \$1.00 per entrant versus the current 50 cents. (CCASSN)

4. Hold a 50/50 raffle- possible at CCNEPA's weekend events.

5. Hold a 100 ticket drawing at \$20 per ticket. Give back \$1000 and keep \$1000. (CCC)

6. Hold a raffle at Carlisle based on the state lottery.

7. Auction Franklin Mint Models that we may be able to get donated. (CCASSN)

A motion was then made by George Gallant & seconded by Dave Walter to hold an in house raffle. Cost per ticket will be \$5.00. There will be no limit as to the number of tickets printed. Cindy Manire then made a motion for the winner to have a choice of an all expenses paid Ocean City Weekend for 2 plus \$500 in cash spending money; or \$750 cash. Motion was seconded and approved by a show of hands. The drawing will be held at CCNEPA's weekend event in Scranton, PA. July 26, 1998. Jeff will work on the flyers and Karen will have the tickets printed up by the March meeting.

**Good of the Order:** Bel Air Corvette Club/ Corvette Club of Northeastern PA.

The National Kidney Foundation has extended an invitation to us to attend their "Volleyball-athon" on Saturday May 23, 1998 in Baltimore, MD. This is an interactive event where a team is formed of nine members. Should be a lot of fun. See George for further info.

Note: that this weekend is in conflict with an event that CCNEPA is holding at the Pocono International Raceway on Monday, May 25, 1998. This may be the last time we can run the entire track at Pocono. Rates are increasing and smaller events will be the norm in the future. Cost is tentatively set at \$125 per person. Instructors will be assigned to each entrant. Should get 5 sessions of 20 minutes each. Will be held rain or shine. Reminder: the mini-convention in Scranton, PA on July 25 and 26, 1998 will host a car show on the main street of town, autocrosses in nearby lots, and a rallye through town. Hotels are being solicited for package rates.

George also brought up an idea that the East Region should consider hosting a National Convention. This is a long term planning situation, requiring about 2 years to do. We would need a lot of commitment from a lot of clubs. We also need a high speed track nearby. Further discussion will be held on this.

CCNEPA Governor John Starry reminded us that he has a few spots for Spring Carlisle available. See him if you are interested.

The March meeting site will be noted on the reminder postcards. All Governors will have to inform any guests of this location.

With no further business to be brought before the membership, the meeting was adjourned at 1:55pm. The next East Region Meeting will be held **Saturday March 21, 1998 at 11:00 AM.**

Respectfully submitted,

***Brian K. Gallagher***

**Secretary's Report:** Brian Gallagher

A motion was made, seconded, and approved to accept the Minutes from the Jan. 17, 1998 East Region Governors Meeting as printed and mailed to all governors. Brian distributed a current list of all Governors and requested everyone double check their addresses and inform him of any errors.

**Treasurer's Report:** Karen Sellers

Karen handed out and reviewed the Treasurer's Report in the following two segments:

1. Cash Flow Report for the period from 1/1/98 through 3/13/98
2. Register Report for the period from 1/1/98 through 3/20/98.

An ending balance of **\$1809.19** was noted. A motion was made, seconded, and approved to accept the Treasurer's Report as presented.

We had **\$1,315** in trophy fund income for 1997 and **\$2,172** in charges for the 1997 awards. A motion was made, seconded, and approved to **transfer** \$1000 from the GINNIE MAE fund to our checking account to cover this expense. We also incurred **\$84** in fees to print up the fund raising raffle tickets for the Ocean City Corvette Weekend. The 50-50 drawing held at the meeting netted **\$72** to the Region.

**Regional Membership Director's Report:** George Fanucci

There are currently **1,859** active members in the Region. We should surpass 2,000 by year's end. Please remember to double check all names and addresses upon renewing or submitting members and one club check to NCCC is required.

**Regional Competition Director's Report:** Bud Benton

Bud said that the \$14.40 currently required for postage on event flyers is adequate. He is able to get 3 flyers in for .32 cents. Governors should watch their deadlines though. It is VERY important you not miss one as the event sanction will not be granted. If you have any photos of an event, he will be able to scan them into the Competition Report.

**NON-SANCTIONED EVENTS:** If a conflict on a date arises with a sanctioned event & a request for a non-sanctioned event, the date will go to the sanction if they are within 100 miles of each other. Insurance coverage on non-sanctions will be intact if the event is published in your newsletter and waivers are signed. A non-sanctioned event can be bumped out of a date if a request comes in for a sanction, regardless of type, ie: Sanction Rallye can bump Non-Sanction Concours, etc. All non-sanctions are designated with an "N" number.

The following changes have been added to the 1998 East Region Competition Calendar:

---

DELETE:	E-007	May 2, 1998	Concours	NVCC
ADD:	E-096	May 24, 1998	Rallye/picnic	YCCC
ADD:	E-097	June 27, 1998	Concours-PC	USA-1
CHANGE:	E-057	Oct 24, 1998	Fr Concours to Rallye	GBV
CHANGE:	E-058	Oct 25, 1998	Rallye Date to	GBV
	E-058	Oct 24, 1998	Rallye	GBV
CHANGE:	E-045	Oct 3, 1998	Fr Funkhana to Concours-PC	FSCC

---

**TIE BREAKERS:** Tie breakers must be held on Rallye's. Check your book on the points schedule for a breakdown.

**YEAR 2000 RULEBOOK:** A discussion was held regarding the changes proposed. One is the elimination of the "M" class motorcycle helmets. The proposed year of helmets is 1995 DOT minimum for all events. Our region does not support this notion and requests Bud to vote not in favor of this. We would like to see the "M" designation be OK for low speed events and date OK back to 1990.

In Concours, there is talk of splitting the "D" class into two with the chrome bumper cars (68-73) being separated; and taking the "E" class and splitting the early (84-90) cars from the later (91-96). The new C-5 cars will be class "H".

**WHEEL TO WHEEL RACING:** There is a move to organize a program similar to the Porsche Club racing program. Questions that need to be addressed involve safety regulations, classes, and insurance. The question is: Are the Regions interested in such a program? Our region agreed to have Bud vote YES to proceed on investigation of this.

**Regional Executive's Report:** Jeff Port

#### **OLD BUSINESS:**

**The Corvette Ride of a Lifetime,** similar to the Dream & Drive program, will be different this year. We, the region, have been asked to be greeters instead of drivers. All participants will get a free lunch & tee-shirt. There are 3 events and 2 conflicts: one being the National Convention and the other CCNEPA's Mini Convention. The third is in Yonkers, NY. If anyone is interested in attending, notify Jeff. The region will send a letter that we are NOT interested in general to be greeters only.

**MINI-CONVENTION/FUND RAISER:** Flyers will be sent to ALL East Region Households. The raffle tickets for the Ocean City Weekend/Cash are printed and were handed out. Hotel accommodations have been made and are about \$140 a suite that will hold 4 people. FSCC has been working very well with CCNEPA on organizing this event. We have 3 Franklin Mint Models to raffle off thanks to CCASN and Stan Bachmura. The only request from the Mint is we show a sign with their name on it. It was decided to raffle one at the Ocean City event, one at the Mini Convention, and the third at Carlisle. A fourth model would be available for \$40 if we see a good response to sales.

**NKF Fund-raiser:** The Volleyball-athon is on for May 23, 1998. George Gallant (BACC) has info.

**REGIONAL PATCHES:** Still available from Jeff \$4 each or three for \$10.

**CONVENTION BIDS:** Year 2000 and 2002 are open. 2001 is already confirmed. A discussion was held to have the East Region possible be a host. A high speed track is required, and due to the immense planning required, year 2002 would be minimum. Idea was tabled for further discussion.

#### **NEW BUSINESS:**

**SPECIAL AWARDS:** Carl Smith-PCCC-brought up an idea for the East Region to follow NCCC in their Special Awards Program for service above & beyond duty. We will need a nomination committee, and the recommendation is one Governor from each state. A motion was made, seconded, and approved.

**NATIONAL GOVERNORS MEETING:** At the April National Governors meeting, it will be discussed where to hold the future National Governors Meetings. Currently, the site is Louisville, KY and we have a 3 year contract there. That reduces our costs. A proposal is being looked at to move the location around the country, to share in the hosting and offer some who cannot make the trip to KY a chance to attend a national meeting. This move won't happen until at least 2000. An investigation will also be made into whether the Nov 1997 National Governors Meeting followed the standing by-laws. Every Governor should have received a Vision 2000 questionnaire. This is a very good way to convey your clubs interests to National.

**FCOA:** The Future Corvette Owners of America sometimes gets forgotten. Enclosed with these minutes you will find an application you may photocopy for your use.

**NCM:** The National Corvette Museum will hold its 5th anniversary this Labor Day. All regions converge at Louisville, KY and caravan to the Museum. A Museum representative may attend our next governors meeting in June to explain and answer questions.

**GOLD CLUB AWARD:** A reminder that any clubs selling one ticket for each member in their club will receive this award from the National Kidney Foundation. To qualify, you need to remit ONE club check in that amount, and the discount tickets do not qualify.

**RT 66 RACEWAY:** June 11-14, 1998 in Joliet IL. There is a huge weekend planned with many interesting events. A benefit for all NCCC members is FREE admission to this. See: a return on your dues investment!

**BANK ONE PLATINUM CARDS:** A discussion was held regarding these credit cards. There is no info whether we (NCCC) receive any kickback on this, but it is not probable.

**INTERNET PUBLICITY FORM:** Jeff handed out a form for every club to return to him any information they have concerning a web page, e-mail addresses, etc. If your club is currently on the web, please forward any info to Jeff so he can update our East Region Home Page.

**Good of the Order:** Frederick County Corvette Club/ G-Burg Vettes

Two representatives from this newly formed club attended the meeting and are in communication with our RMD working out details of joining the East Region. We welcome them and look forward to a lot of fun in the future.

G-Burg Vettes is hosting a sanctioned concours show August 2, 1998 at Criswell Chevrolet, which is going to be a tribute to all PACE CAR'S- past & present. Contact Dennis Morin @ 301-762-7337 or George Riggs @ 301-279-2741

**\*\*A REMINDER\*\*** As a condition of having our meetings at the Old Country Buffet, everyone is required to purchase a meal, be it breakfast or lunch.

With no further business to be brought before the membership, the meeting was adjourned at 1:25pm. The next East Region Meeting will be held **Saturday June 20 , 1998 at 11:00 AM, at the OLD COUNTRY BUFFET in Mechanicsburg, PA.**

Respectfully submitted,

Enclosed find copies with minutes. A motion was made, seconded, and approved to accept the treasurer's report as presented. All in favor.

**REGIONAL MEMBERSHIP DIRECTOR'S REPORT:** George Fanucci. Currently we have 1991 active members in the East Region. The breakdown is 1,394 male; 597 female; 528 spouse; and 23 lifetime members. With applications received today, we will go over the 2000 mark, with Corvette Club of America adding the excess. Any address changes are to be sent to George ASAP so our list is correct.

**REGIONAL COMPETITION DIRECTOR'S REPORT:** Bud Benton. A new format was added to the competition calendars. Any feedback will be welcome. Bud would like all Governors to try to get the results of their events in a little earlier. Most are making the deadline, however, a few extra days would be appreciated. Please note that on Speed Events, an FTD entrant gets 9 bonus points in lieu of the 7 or 9 class points. Some people are giving 7 points for a first place finish plus 2 bonus points. This is wrong. When sending in flyers, please include a check for \$14.40 payable to Bud for postage. If you have envelopes, you may include them. And if you can fold the flyers, that would be helpful also. Note the following calendar changes:

Oct 18, 1998	YCCC	CONCOURS	change to	OCT 17, 1998
Sept 19, 1998	CA	FUNKHANA	CANCELED	
Oct 11, 1998	TCV	AUTOCROSS	change to	NOV 1, 1998

Trophy Fund money, \$.50 per NCCC entrant, and \$.50 per NCCC worker, is payable to Treasurer Sellers after each event or at the year's end.

**REGIONAL EXECUTIVE'S REPORT:** Jeff Port.

**Our Web Page** has had 325 "hits" so far...seems like an interest in our activities. Watch for any guests who sign in that are looking to join a club. Most event dates are posted.

**Newsletter Contest:** Two regional clubs are participating, CCA & NVCC.

**National Governor's Meeting Sites:** Even though we, the East Region, voted against moving the site around the country, the majority of the clubs voted in favor of moving the meeting site. There is no penalty for breaking our contract with the current hotel. A new method of choosing future sites will be determined. Louisville is getting real busy with the fairgrounds conflicts; however 1999 is still on the calendar.

**Blue Bars:** You will notice a new format, which is nice. Gordon Kilebrew's column has been dropped for some reason. Jeff will contact the editor to find out why. His features always has a wealth of info for the lay person. Also, the regional pages have all the info on one page, which makes it better to find events, etc. This whole format change is saving NCCC about \$3000 per issue, thanks to Loretta Spinrad.

**Bank ONE Rebates:** We are starting to see some rebate money coming in from this credit card promotion.

**NKF Raffle:** Sales are moving slow. Any stubs you may have should be submitted ASAP.

**K&K Insurance:** If an incident occurs at one of your events, send in a report no matter how small you feel it is. Better to be safe than sorry.

**SEPT National Governor's Meeting:** Will be held at held at the Corvette Museum on Sat Sept 12, 1998. The RE; RMD; RCD meetings will be held at the hotel Friday nite. There are no plans for an organized tour of the factory like last year. You will have to make plans on your own for this.

**Director of Sponsorship:** Pres. Deb Murphy has created this position to stay in touch with all the sponsors of NCCC and solicit new ones. One question arises: What is a Business Manager's responsibilities? Seems like the difference is a 2 year term versus a permanent position.

**CONVENTION:** We need a messenger for our proxies. George and Jeff are both unable to attend the July event. Dave & Sally Walter can cover for RCD & RMD respectively. We still need an RE rep.

**Standing Rules:** Will have some changes after the Sept. meeting. A vote will be taken in 1999 regarding meeting sites, proxy governors, etc.

**OLD BUSINESS:** East Region Raffle ticket sales are slow. As of 6/20, we have sold \$1,595. We need to push these for the Mini Convention, being held July 25 and 26, 1998. Rooms will become less available due to the NASCAR race that same weekend.

**Franklin Mint Cars:** WE have the three models to raffle off thanks to Stan Bachmura and CCA. One will go at the convention, the second at Carlisle, and the third at the Ocean City weekend.

**National Convention Bids:** Year 2000 is still open. the 1999 convention will be in Denver, CO.

**Rt. 66 Cruise:** Dave Walter attended this June event in Illinois. These facilities would be good for a national convention. There were good accommodations, a flea market, drag races, and autocross lots.

**CCA Concours:** Seems like a lot of people are into showing this year. Their annual show attracted 62 NCCC entrants and 79 total entrants.

**NEW BUSINESS:** There has been some discussion on having 3 of the 6 National meetings via teleconferencing. This method would return to the volunteers some of their personal free time which they donate generously. The East Region has now over 2000 votes and could be very persuasive.

**CARLISLE:** The Region's space is "D-22". It is located by Gate 2 and is free of charge to us. Bill Trethaway will work it along with anyone else.....but he will **NOT** work it alone. Contact him if you can help. We will have free soda for members. Raffle tickets will be there for the Franklin Mint car also. We will do \$1.00 each or 6 for \$5.00 with the drawing being held on Sunday.

**LVCC Concours:** This event is a fund raiser for Easton's Children's Home. It will be a PC Concours at \$15 per car, with a 40 car limit. The children will be doing the judging. There will be a picnic lunch provided. **All** proceeds will go to the Home. There will be a 10-12 mile drive with the kids afterwards. Should be a lot of fun. Contact Gov. Craig Kahle at 610-797-5027, or President Roger Krause at 610-867-5797 for further info.

**Judging Seminar:** CVCC volunteered to hold a clinic at Carlisle. It was discussed to make it mandatory for entrants to be judges. This is **NOT** a good idea. There are plenty of volunteers, and most will say yes if they are "asked". GBV will also help by sending a team of experts.

**Good of the Order:** The Coopersburg, NY museum is defunct. They are selling off everything inside. Cars, memorabilia, everything must go. Would be a good place for the bargain hunter to go.....

**\*\*REMINDER\*\*:** As a condition of having our meetings at the Old Country Buffet, everyone is **REQUIRED** to purchase a meal.

With no further business to be brought before the membership, the meeting was adjourned at 1:15PM. The next **East Region Meeting will be held Saturday Aug. 15, 1998, at the Old Country Buffet in Mechanicsburg, PA.**

Respectively Submitted,

*Brian K. Gallagher*

East Region Secretary.

**SECRETARY'S REPORT:** Brian Gallagher A motion was made, seconded, and approved to accept the secretary's report of the last meeting, June 20, 1998, as was printed and distributed to all Governors. All in favor.

**TREASURER'S REPORT:** Karen Sellers. Karen handed out the register report for the period of 6/16/98 thru 8/12/98, and the cash flow report YTD as of 8/12/98. Governors who did not attend the meeting will find attached copies. A motion was made, seconded, and approved to accept the treasurer's report as presented. All in favor.

**REGIONAL MEMBERSHIP DIRECTOR'S REPORT:** George Fanucci. Currently we have 2,041 active members in the East Region, the largest Region in the country. 107 new members were signed up last quarter. George accepted an award at the last National Governor's meeting for this. Nov 15, 1998 will be the deadline for all membership slips to be in to George. Lifetime memberships are still \$300. Please forward any address changes to George ASAP so his list is correct.

**REGIONAL COMPETITION DIRECTOR'S REPORT:** Bud Benton. The previous Trophy Fund Report is incorrect. Please use the current one included in the Aug 15, 1998 Competition Report. Remember, workers require payments as well. Trophy Fund money, \$.50 per NCCC entrant, and \$.50 per NCCC worker, is payable to Treasurer Sellers after each event or at the year's end.

A THANK YOU goes out to Dave Walter for representing us at the National Convention. Year 2000 rulebook changes will be discussed at the Sept. National Governor's meeting. All clubs should submit any input via their governors. One of the main subjects will be classes. There are too many classes currently. To compare to SCCA racing, super/stock class is from 1984 to current year. Craig Kahle suggested separating low & high speed classes. Another issue is jacking up cars to check wheel bearings. Owners should be the ones to do the jacking, as tech people may not know exactly where to put the jack. Damages could flare tempers up real quick.

**SAFETY** must be remembered at all events. Autocross corner workers must pay attention at all times. Spectators must remain 50' off the track. All stations must have 2 workers, and be equipped with flags, fire extinguishers, and a form of communication. In addition, waivers must be signed by ALL persons attending event if they are in the pit area or on the track, including spouses and children. Please review the update in the report for other noteworthy items.

When sending in flyers, please include a check for \$14.40 payable to Bud for postage. If you have envelopes, you may include them. And if you can fold the flyers, that would be helpful also.

**REGIONAL EXECUTIVE'S REPORT:** Jeff Port.

**CONVENTION:** A THANK YOU goes out to Richard Hamaker for sitting in for JEFF at Convention. A discussion was held concerning attracting new members. One club suggested a "cruise" to be held. By-Laws and Standing Rules were a big topic. Nothing much was solidified, and more discussion will be held at the Sept. meeting. Proxy Governor's and future meeting sites also were discussed.

An appointed position, Director of Sponsorship, was approved. The duties will include securing NCCC & Convention sponsors. Nominations for President, Treasurer, Vice President of Membership, and Parliamentarian were opened.

**K&K Insurance:** If an incident occurs at one of your events, send in a report no matter how small you feel it is. Better to be safe than sorry.

**SEPT National Governor's Meeting:** Will be held at the Corvette Museum on Sat Sept 12, 1998. The RE; RMD; RCD meetings will be held at the hotel Friday nite. There are no plans for an organized tour of the factory like last year. You will have to make plans on your own for this.

**NCCC Web Site:** Still needs some work.

**National Convention Sites:** Year 2000 & 2001 bids are in . Ken Coldwell (CCC) told us a track is being planned in the Baltimore area and the owners are very interested in assisting to host a National Convention. We are talking the years 2002 or 2003. Perhaps we could move out of the July time frame and move towards August or September. Ken will keep us informed of the progress.

**OLD BUSINESS:**

**Carlisle:** The Region's space is "D-22". It is located by Gate 2 and is free of charge to us. NCCC will set up camp with us and offer information on membership, as well as merchandise for sale. Raffle tickets will be there for the Franklin Mint car also. We will do \$1.00 each or 6 for \$5.00 with the drawing being held on Sunday.

**Regional Web Page:** Please forward any club information to JEFF to be included on the page. Also, a picture of the club and/or its logo can be scanned onto the page. Please forward a color 3x5 picture to him for inclusion.

**Franklin Mint Cars:** County Corvette Association has purchased the three raffle cars outright since a change of management at the Mint would not support the donation to the Region. This is a very nice gesture on CCA's part to show their commitment to the Region. THANK YOU! The 1967 L88 Convertible will be given at FSCC's Ocean City weekend in October. The Mako Shark will go at Carlisle. And the ZR-1 will go at the December Governor's meeting.

**Mini Convention:** Held July 25<sup>th</sup> and 26<sup>th</sup> in Scranton. The weather was excellent. The fun show on Saturday had 40 cars, which covered the entire front of the mall on the main street. A nice easy road rallye was held later on, along with 2 poker rallyes. There was a party Saturday nite at NayAug park, close by, with food courtesy of George Fanucci. You couldn't have ordered better food, as the compliments are still flowing! His restaurant in the Poconos has a reputation for excellent food, and it was proven there. Over 80 people attended. Sunday, a double autocross was held, and a funkhanna featured a balance beam trailer where you drove your car onto it and tried to balance the trailer. That proved to be quite difficult, with only 2 cars achieving it. Over 35 cars participated in the events. The total cost of \$50 for the entire weekend proved to be one of the best bargains of the year. The Free State Weekend raffle was chosen. **Rich Wadiak**, Keystone State Corvette Club, was the winner, and chose to go to the event instead of taking the cash award only. The Franklin Mint car raffle (a 1993 Ruby Red 40<sup>th</sup> Anniversary ZR1) was not held due to lack of sales. It was decided to hold off until the December Governors Meeting to hold the raffle. This will give all the clubs more of a chance to sell tickets, which are \$1.00 each or 6 for \$5.00. This will make someone a real nice Christmas present. Just use the typical 50/50 tickets and get the buyers name and phone number only. We will call them.

**NEW BUSINESS:**

**LVCC Concours:** This event, scheduled for Sunday Aug 16<sup>th</sup> (tomorrow); is a fund raiser for Easton's Children's Home. It will be a PC Concours at \$15 per car, with a 40 car limit. The children will be doing the judging. There will be a picnic lunch provided. **All** proceeds will go to the Home. There will be a 10-12 mile drive with the kids afterwards. Should be a lot of fun. Contact Gov. Craig Kahle at 610-797-5027, or President Roger Krause at 610-867-5797 for further info.

**Limerick Classic Glass:** Some previous members of the American Dream Corvette Club have formed their own club. Please note, they do not have liability insurance and any attendees to their events should be cautious.

**Good of the Order:** The 50/50 drawing netted \$20 to the winner & \$21 to the Region.

**\*\*REMINDER\*\*:** As a condition of having our meetings at the Old Country Buffet, everyone is **REQUIRED** to purchase a meal.

With no further business to be brought before the membership, the meeting was adjourned at 1:05 PM. The next **East Region Meeting will be held Saturday Oct 10, 1998, at the Old Country Buffet in Mechanicsburg, PA.**

Respectively Submitted,

*Brian K. Gallagher*

East Region Secretary.

**SECRETARY'S REPORT:** Brian Gallagher. A motion was made, seconded, and approved to accept the secretary's report of the last meeting, Aug 20, 1998, as was printed and distributed to all Governors. All in favor.

**TREASURER'S REPORT:** Karen Sellers. Karen handed out the register report, and the cash flow report YTD. A motion was made, seconded, and approved to accept the treasurer's report as presented. All in favor.

**REGIONAL MEMBERSHIP DIRECTOR'S REPORT:** George Fanucci. Currently we have 2,096 active members in the East Region, the largest Region in the country. All Governors should have received their 51% sheets and membership packets by now. If you haven't received yours, contact George. Please plan on returning the completed forms to him by 11/30/98. Remember any new member signed up on or after 9/1/98 gets an automatic renewal. Proxies will be mailed separately. We have a new possible club that has expressed interest in joining the East Region. They are the "Corvettes Ltd of MD". **NOTE: PLEASE GET YOUR 51% SHEETS & RENEWALS TO GEORGE ASAP.**

**REGIONAL COMPETITION DIRECTOR'S REPORT:** Bud Benton.

When sending in flyers, please include a check for \$14.40 payable to Bud for postage. If you have envelopes, you may include them. And if you can fold the flyers, that would be helpful also. Do not make checks out to ER-NCCC, as Bud is having trouble depositing them in this manner. A recommendation was made to include the E# on the events calander.

**REGIONAL EXECUTIVE'S REPORT:** Jeff Port.

Most noteworthy is the fact that JEFF & KAREN were married on Sept 12, 1998 at the Corvette Museum in Bowling Green, KY prior to the National Governor's meeting. The entire region wishes them well!

**OLD BUSINESS:**

**Franklin Mint Cars:** The ZR-1 will go at the December Governor's meeting. Remember, tickets are \$1 each or 6 for \$5. All clubs should sell them at their meetings using regular 50/50 tickets, with a name and phone number. Lets all get together on this fund raiser for OUR region.

**Mini Convention:** Held July 25<sup>th</sup> and 26<sup>th</sup> in Scranton. The winner of the People's Choice show was Mike Kollar of Pocono Mountains Corvette Club in Milford, PA with his Polo Green 91 ZR-1.

**1999 Events Calander:** Please bring any corrections or additions to the Dec. meeting.

**NOMINATIONS:**

The following people have accepted the nominations for the respective offices:

RE- Jeff Port; RCD- Craig Kahle; RMD- George Fanucci; TREAS- Karen Port; SEC- Brian Gallagher. A THANK YOU goes out to Bud Benton for serving as our RCD this past year.

**\*\*REMINDER\*\*:** As a condition of having our meetings at the Old Country Buffet, everyone is **REQUIRED** to purchase a meal.

**SECRETARY'S REPORT:** Brian Gallagher. A motion was made, seconded, and approved to accept the secretary's report of the last meeting, Oct 10, 1998, as was printed and distributed to all Governors. All in favor.

**TREASURER'S REPORT:** Jeff Port for Karen Port. Jeff stated our ending balance for the period is \$2,579.39. A motion was made, seconded, and approved to accept the treasurer's report as presented. All in favor.

**REGIONAL MEMBERSHIP DIRECTOR'S REPORT:** George Fanucci. Please watch the names on your membership rosters. There are duplicate names, and/or names being omitted. We have a new club, ER-455, Corvettes Limited of MD, based out of Ocean City, MD. We (the East Region) are still the largest region in the country, and have the largest number of clubs (32).

**REGIONAL COMPETITION DIRECTOR'S REPORT:** Bud Benton. The year end totals are completed, and the award winners have been determined. Keep in mind that you need to attend a minimum of 5 events to be considered for an individual award, and 15 events for a regional overall award. Some people may have more points than those winning an award, however they haven't attended 5 or 15 events, therefore not qualifying. All award winners are invited to attend the MARCH 20, 1999 Gov meeting to accept their awards. Size and style requests will be due back to BUD by Jan 15, 1999. Watch for info coming to you on that. The TROPHY FUND report is attached, and those clubs in arrears may send BUD a check payable to NCCC Trophy Fund. Also included is the 1999 Calendar of Events. Some changes had to be made to accommodate the National Governors Meeting originally scheduled for May 15 & 16, 1999 which was moved to April 24 & 25<sup>th</sup>. No sanctioned events are allowed during a national meeting, so some events had to be moved, and some became Non-Sanctioned events. A note was mentioned by Lonnie Jackson, LCCC, that a reminder should be made in the future that the next year's calendar of events will be set at the OCT Gov meeting; thereby allowing any Governors who are not able to attend to have representation there for their club. 1999 Competition Rule changes that were discussed at the National Meeting are: As of 1/1/99; BFG KD tire is now a Group 1 Street tire, and the BFG G-Force & KUHMO D-700 (shaved tires) will be eligible for Group 1. Also, in a Judged Concours, NOT JUDGED is not an option in a multi-car class. And a reminder that all C-5 cars are classified as 1-SH unless they have shaved tires. A clarification was also made that NO PASSENGERS are allowed during any speed event in NCCC, except for BUCK RUNS or Parade laps. Bud also thanked the Governors for the good and timely work they did throughout the year; and congratulated all the winners.

**REGIONAL EXECUTIVE'S REPORT:** Jeff Port.

#### **OLD BUSINESS:**

**Franklin Mint Cars:** The Mako-Shark model from Franklin Mint was raffled at the meeting. The winner was DON KLEIN, of Tri-County Vettes. In Karen's absence, a total of the raffle's proceeds was not available.

#### **NEW BUSINESS:**

There are 4 Internet sites of mention:

National Elections were held and the candidates whom the East Region endorsed were all elected: Dick Yanko- President and Betty Parks- Treasurer. The count was so close that there were 3 re-counts to make sure. Also, the by-law changes were all approved.

The 1999 Car Raffle is being looked at. It seems that there are some IRS rules and regulations that have to be worked out, however, we are at this time, still going ahead with the raffle.

K&K Insurance will still be our carrier for 1999, however we are investigating some other companies.

If your club uses a GM Bowtie or Corvette logo, be advised that you will have to modify it to avoid any conflict with GM licensing. They are starting to watch this very close.

The MICHIGAN REGION has made a challenge to all other regions to donate \$2.00 per renewing member to the Corvette Museum.

There will be a PRIME EVENT list in which any club hosting an event with more than 50 entrants will be listed. More to follow on this.

A STANDING RULE change to reimburse mileage to officers from the Convention Fund in the future instead of from the General Fund as it is now.

CORVETTES @ CARLISLE theme for 1999 will be WOMEN & CORVETTES.

Deadlines for BLUE BARS contributions will be MAR 1; JUNE 1; & SEPT 1, 1999

2003 Convention- We are discussing hosting the convention and George Galant, BACC, is working on some details.

1999 PROXY FORMS: No notary seal is required. A club seal or a club member witness will be OK. Five forms are required to JEFF by Jan meeting. They will be mailed to all governors shortly.

**\*\*REMINDER\*\*:** As a condition of having our meetings at the Old Country Buffet, everyone is **REQUIRED** to purchase a meal.

With no further business to be brought before the membership, the meeting was adjourned at 1:40 PM. The next **East Region Meeting** will be held 11Am, **Saturday Jan 16, 1999, at the Old Country Buffet in Union Deposit, PA. THIS IS WHERE WE MET IN DECEMBER.** Our October meeting will be at this location also; however, the remainder of the meetings will be at the Mechanicsburg location that we met at all last year.
