**ANNUAL AWARDS PRESENTATION:** Bud Benton, 1998 RCD: Bud handed out the overall and individual category awards to their recipients and/or their governors. This year's jackets were a blue denim style with off-white sleeves and off-white lettering. The golf shirts were a navy blue with gold lettering. The patches are not yet completed and will be sent to the winners at a later date. Certificates were also printed and handed out. Bud thanked all the competitors, noting quite a few close races. **Cumberland Valley Corvette Club** was awarded the overall club championship, and Governor Walter reflected in noting that, if based on individual awards and not total club points, Tri-County Vettes, who had both the men's and woman's overall winners; and who placed first in almost every category; would have won the championship.

**SECRETARY'S REPORT:** Brian Gallagher. A motion was made, seconded, and approved to accept the secretary's report, sent out by Jeff in lieu of the January meeting. Being no additions or corrections, a motion was made, seconded, and approved to accept. Brian confirmed with all the new governor changes, everyone has received their post cards denoting the meetings. Any address changes must be given to George, and then to Brian.

**TREASURER'S REPORT:** Karen Port. Karen handed out register reports dated 1/1/99 thru 3/16/99; stating our balance for the period at **\$733.12**. This is the first time in a while where we are in the black and that is due to a large part of the Funtastic raffle. A motion was made, seconded, and approved to accept the treasurer's report as presented. All in favor.

**REGIONAL MEMBERSHIP DIRECTOR'S REPORT:** Brian Gallagher for George Fanucci. Our total membership is now at 1,966 members. We (the East Region) are still the largest region in the country, have the largest number of clubs (32), and have THE largest club in the country- **Lancaster County Corvette Club**. The East Region generated **\$33,660.00** to National Council this year. Any club who has not received their membership packets from national should notify George asap.

**REGIONAL COMPETITION DIRECTOR'S REPORT:** Craig Kahle.

The National Awards patches: will be given out at the April National Governors meeting.

Event Results: Must be submitted on time. Sanctions will be suspended if deadlines are not adhered to.

High Speed Licenses: Currently out of stock.

Competition Rules Discussion: Several items were discussed at the National Meeting regarding oil pan drain plugs, removing emissions equipment on group 2 cars, head modifications, and Hoosier A3503 tires not being legal for group 1 cars. Tread wear and depth will be considered in future tire classifications. Noted is that not all tire sizes are available from all manufacturers in run flats. This will be brought up again in April. A suggestion for annual helmet inspections rather than at each event is being considered. Sectional events are still limited to the 7 event per day rule. After a request by YCCC to have one sanction cover a 2 day event, it was reaffirmed that one sanction is required for each day. Regarding tie breakers at concours shows- if the entrant leaves before the tie breaker is completed, he loses.

Postage increases: \$16.50 or (50) 33 cent stamps for 2 or 3 flyers; \$33 or 100 stamps for 4-6 flyers; and \$49.50 or 150 stamps for 7-9 flyers. NOTE: any additional printed info will be considered another flyer to calculate postage. Multiple flyers should be collated and stuffed in envelopes if possible. Sanction Requests should be complete with chairman names and signatures or signed by the governor and initialed.

**CALANDER changes:**

10/17	KSCC	N-013	NON SANCT PEOPLES CHOICE

Trophy fund money: Clubs should pay Craig, not Karen, after each event or at year's end, which ever is better for them. Checks payable to ER NCCC Trophy Fund E MAIL address for Craig is valleyvettes@geocities.com

**REGIONAL EXECUTIVE'S REPORT:** Jeff Port. National Governors Meeting: An opening for a DIRECTOR of SPONSORSHIP has been noted. Resumes are to be brought to the April Meeting. This is an appointed position, unlike the business manager, who changes every two years. An assistant to VP of Membership has been named: BAMBI COX, our former RCD in the east Region, now living in N Carolina.

K&K INSURANCE has offered our clubs an insurance rider covering club property such as timers, cones, and club trailers. Contact PAM WALKER at 1-800-348-1839 for info. They may also offer us a 3 year liability package in lieu of the annual one now in existence.

NEWSLETTER contest. Deadline is May 15, 1999 for all submitted entires.

TAX RETURNS- Betty Parks has offered her services to do them, saving us \$3000, instead of having a CPA do them.

NATIONAL OFFICES: The offices of VP, Business MGR, Sgt of Arms, and Secretary are open for bid. Anyone interested in running ofr a national office should contact George Fanucci for an application.

SECRET BALLOTS: a discussion was held regarding the use of secret ballots. More will be said on this in the future. Both sides presented valid points.

**OLD BUSINESS:**

There are 4 Internet sites of mention:

[www.corvettesnccc.org](http://www.corvettesnccc.org)

[www.corvettesnccc.org/fcoal.html](http://www.corvettesnccc.org/fcoal.html)

[html://members.aol.com/ernccc1/ernccc.html](http://members.aol.com/ernccc1/ernccc.html)

Our web site is getting about 6 hits per day, showing interest. In the future, we can hopefully scan all the clubs flyers directly into this for up to date current information. We are looking into another Internet Service Provider to get more space for more info, which could include selling ads from businesses and returning some profits back to us. Jeff is looking into this. ALSO: any clubs with a home page are asked to send the link to Jeff and to BUD BENTON, so we can all be tied together.

2003 CONVENTION: We are looking into hosting a convention in our region. This will need a lot of work and planning. A survey was sent to all governors to inquiry their members regarding some convention questions. Among these are if they would be in favor of a cruise type setting, or reducing the length of the convention to 3 or 4 days. Please forward your clubs ideas to George Gallant (BACC, as well as forwarding back to Jim Harris. We are considering using CARLISLE weekend as an incentive for attendance.

Deadlines for current BLUE BARS contributions will be JUNE 1; & SEPT 1, 1999.

**NEW BUSINESS:** Bud Benton, our former RCD, has offered a unique opportunity for anyone 18 yrs old or older, who wishes to work at Nazareth Speedway during either the CART race (Apr 30-May2); the Bush Grand National race (May 22,23) ; or the TRUCK race (July 16-18) . Said workers will be given permission to enter the pit areas,etc, after their work is completed. By doing so, the SCCA body who runs autocrosses at the track is able to retain the use of the facilities. Anyone interested should contact BUD at 610- 252-0989 or E Mail him at [bis@sbsolutions](mailto:bis@sbsolutions).

PA CORVETTE LICENSE PLATE: PEN DOT was contacted regarding tooling up a special vanity plate for us, the East Region. They require a minimum of 300 applicants. Bring this back to your clubs and lets get a feel of the interest here. There would be an NCCC logo as well as ours.

BEL AIR CORVETTE CLUB is hosting a real nice MALL show on Aug 21, 1999-Contact Gov. George Gallant for info. FUN TASTIC RAFFLE: Once again we are holding this raffle for the benefit of our region. Tickets are \$5 each, with the winner to be drawn at the YCCC awards presentation at Carlisle on aug 28, 1999. The package includes a weekend for 2 at the FREE STATE weekend event plus \$500 in cash OR, the winner may choose \$750 in cash only. This was a great fund raiser for 1998 and lets make 1999 even better.

**\*\*REMINDER\*\*:** As a condition of having our meetings at the Old Country Buffet, everyone is **REQUIRED** to purchase a meal.

With no further business to be brought before the membership, the meeting was adjourned at 2:05 PM. The next **East Region Meeting will be held 11Am, Saturday June 12, 1999, at the Old Country Buffet in Mechansburg,PA**

Respectively Submitted,

*Brian K. Gallagher*  
East Region Secretary.

**SECRETARY'S REPORT:** Brian Gallagher A correction to the March 20, 1999 minutes regarding the treasurer's report was noted. The correct ending balance was \$2,330.01 with a positive inflow of \$733.12. A motion was then made, seconded, and approved to accept the secretary's report, as mailed to all governors. Brian confirmed with all the new governor changes, everyone has received their post cards denoting the meetings. Any address changes must be given to George, and then to Brian.

**TREASURER'S REPORT:** Jeff Port for Karen Port. Jeff handed out register reports dated 1/1/99 thru 6/7/99; stating our balance for the period at **\$2,338.47; with an outflow of (\$883.06)**. A motion was made, seconded, and approved to accept the treasurer's report as presented. All in favor. Noteworthy is that as of this date only \$50 in Funtastic raffle tickets has been turned in. This was our big money maker last year. Lets push these tickets. Also, we received \$195 in NCCC rebate money. The Trophy fund money denoted for 1999 should be noted for 1998, \$286.50 plus \$65.50.

**REGIONAL MEMBERSHIP DIRECTOR'S REPORT:** George Fanucci Our total membership is now at 2,048 members. We have a new club, CLASSIC GLASS CORVETTE CLUB out of East Greenville, PA, and their governor is PETER FRANK. "Member at Large" applications can be given to George or have the person sign up via the NCCC web site.

**REGIONAL COMPETITION DIRECTOR'S REPORT:** Craig Kahle

The National Awards patches were given out. The following were the top 10 men's and ladie's places for 1998:

- |                         |                         |

**BIGGEST NEWS:** The Free State Corvette Club has changed the October 2, 1999 Rallye to a non-sanctioned event, however the double concours is still sanctioned.

**Competition Rules Discussion:** Several items were discussed at the National Meeting. The tires allowed in the Street Class for C-5's can include NON-EMT tires as long as they are of the type such as GSC or EAGLES- not the G-FORCE or Kuhmo type. In Group ONE, a DOT dual purpose tire will be allowed, however in Group ONE STREET, a DOT-original street tire is required, with a minimum treadwear rating of 110 and a minimum tread depth of 11/32".

**RULEBOOK 2000.** A lot of changes are being considered. One draft has each club hosting 8 sanctions up from 7, and 4 per day at the same location. Also, class combining is being discussed. For example, in class A & B, and C & D, and MOD A & B. The late model classes E thru H are not being considered for changes. POINTS awarding may change. In speed events, an overall FTD may get 11 points and a group FTD may get 10.

The following are being looked at: Rollbar specs; possible fire suits required in all high speed events; and Snell 95 helmets- which appears a definite change.

E MAIL address for Craig is valleyvettes@geocities.com

**REGIONAL EXECUTIVE'S REPORT:** Jeff Port. National Governors Meeting: JULY in DENVER.. Anyone going??? Let Jeff know so we can have representation.

Another reminder for selling the FUNTASTIC raffle tickets. We need to promote this. The drawing will be at CARLISLE on Aug 28, 1999. Our Web page now has flyers on it, and is getting 300 hits a month <http://members.aol.com/ernccc1/ernccc.htm>

National newsletter competition has 25 clubs competing and 5 are from the East Region.

National Governor' meeting vote was 96 to 93 in favor of St Louis over Louisville

Brian confirmed with all the new governor changes, everyone has received their post cards denoting the meetings. Any address changes must be given to George, and then to Brian.

**TREASURER'S REPORT:** Karen Port. Jeff handed out register reports dated 6/3/99 thru 8/5/99; stating our balance for the period at **\$3,028.95; with an infow of (\$677.95)**. A motion was made, seconded, and approved to accept the treasurer's report as presented. All in favor. Noteworthy is that as of this date we are about \$1,000 over the balance we had in 1998.

**REGIONAL MEMBERSHIP DIRECTOR'S REPORT:** George Fanucci. Our total membership is now at 2,098 members. We are the largest region in the country, however we no longer have the largest club. LCCC has been replaced by Desert Corvette Association as the largest club with 289 members. LCCC currently has 278. Two governor changes are of note: Scott Royer will replace Lonnie Jackson at LCCC, and Leesa Towles will replace Art Wildner at FSCC.

**REGIONAL COMPETITION DIRECTOR'S REPORT:** Craig Kahle.

A competition report was handed out current as of the mini convention in July. CVCC is ranked number one club, followed by CPCC, CCNEPA, LCCC, & GBV. Overall Men's division top spot is JAY GIFT, CVCC, Women's division is SALLY WALTER, CVCC.

Results from E-064, a concours show hosted by Eastern Shore Corvette Club, ER442, on 6/12/99, have not been received, and therefore any individuals attending this show will not get their points. No response from the governor to Craig leaves him no choice per the rule book.

The Free State Corvette Club has changed the October 2, 1999 Rallye to a non-sanctioned event, however the double concours is still sanctioned.

**CVCC has added a rallye on 11/8/99....E-094**

E MAIL address for Craig is valleyvettes@geocities.com

**REGIONAL EXECUTIVE'S REPORT:** Jeff Port.

This will be the last year Jeff will be RE for the region. Regretfully, he cannot devote the time and effort required to run the region efficiently.

Our Web page now has flyers and competition points on it, and is getting 300 hits a month.

<http://members.aol.com/ernccc1/ernccc.htm> check it out.

#### **OLD BUSINESS:**

Year 2003 convention is still being planned. George Gallant is heading this project, but needs help. He was the coordinator in 1990 and the region profited about \$8,000 for his efforts. We need this profit again, so let's all help however we can.

#### **NEW BUSINESS:**

Some governors have received a letter from Chevrolet concerning Trademark Authorization. A bill for \$500 was included, however at this time it is being waived. DO NOT PAY THIS BILL.

In the past, we have printed up a REGIONAL CALANDER. Members pictures have been put on, and it was a nice thing. Perhaps we could try this again sometime.

NOMINATIONS: For 2000 are open. Will Close in OCT, and we will vote in DEC.

The following officers have accepted their positions for 2000: Secretary; BRIAN GALLAGHER; Treasurer; KAREN PORT; RMD: GEORGE FANUCCI. RE & RCD offices are still available.

**GOOD OF THE ORDER:** LVCC is hosting a concours show 8/15 for benefit of the Children's Home of Easton, and CVCC is hosting a funkhanna the same day. Both events will be of interest to everyone. CVCC's annual rallye at Carlisle is also an event to consider.

**\*\*REMINDER\*\*:** As a condition of having our meetings at the Old Country Buffet, everyone is **REQUIRED** to purchase a meal.

With no further business to be brought before the membership, the meeting was adjourned at 12:10 PM. The next **East Region Meeting will be held 11Am, Saturday Oct 9, 1999, at the Old Country Buffet in Harrisburg, PA** **\*\*\*\*\*NOT THE SAME LOCATION OF AUGUST MEETING\*\*\*\***

Respectively Submitted,

Brian K. Gallagher  
East Region Secretary.

**SECRETARY'S REPORT:** Brian Gallagher A motion was made, seconded, and approved to accept the secretary's report, as mailed to all governors. Brian confirmed with all the new governor changes, everyone has received their post cards denoting the meetings. Any address changes must be given to George, and then to Brian.

**TREASURER'S REPORT:** Karen Port. Karen handed out register reports dated 8/6/99 thru 10/7/99; stating our balance for the period at **\$2,124.38; with an outflow of (\$904.57)**. We had a negative cash flow as of 10/7/99 of (\$1,097.15) partly due to the fantastic raffle winner choosing the \$750 in cash prize. The total loss on the raffle was (\$285.00). A motion was made, seconded, and approved to accept the treasurer's report as presented. All in favor.

**REGIONAL MEMBERSHIP DIRECTOR'S REPORT:** George Fanucci. Our total membership is now at 2,147 members. There are 14,336 nationally. Renewals are coming to you. Read your instructions carefully. **You must have them in to George by NOV 24, 1999 not the DEC meeting**

**REGIONAL COMPETITION DIRECTOR'S REPORT:** Craig Kahle/ Brian Gallagher.

A competition report was handed out current as of Oct 9, 1999. CVCC is ranked number one club, followed by CPCC, GBV, LCCC, & TCV. Overall Men's division top spot is JAY GIFT, CVCC, Women's division is SALLY WALTER, CVCC. Trophy fund money is still due from a lot of clubs. Sending one check at year's end is OK. Please send to Karen Port 1371 Seibert Rd, Bellefonte, PA 16823

Brian attended the National Governor's Meeting in Louisville in Sept. He reported that the Year 2000 rulebook has been approved with some changes from the current one. One item of most interest is that the proposal of increasing the sanctions to 8 per year was rejected. Sanctions remain at 7 per year per club. Also, no sanctions will be granted during the National Convention in July as was previously considered. All governors should be sending results to the RCD not the VP of Comp; and such results should be gone over for mistakes. Complete NCCC numbers are required, not that one is "pending". Also, times or scores are required. Another note on flyers: the info WILL include the date of the sanction, type of event, region, host club, location city and state.

\* Sectional bids have been removed from the 2000 book; as is master grouping for trophies. In place of master grouping, in group I-S; I, II: classes A & B are now class A/B; classes C & D are now class C/D; and class H is confirmed for the C5. In group III, Mod A & Mod B are now Mod A/B; and class H for the C5.

\* A clarification was made regarding the use of the CORSA Pace car exhaust system for the C5 cars. It remains a legal group I-S & group I exhaust system as long as it consists of the original diameter tubing and retains as much functionality as possible as the originally installed factory part. This vote was unanimous.

- It is now REQUIRED of a host club which cancels an event within 24 hrs, or changes location of event, that they post a member at the original location until the close of registration.
- High Speed Licenses: the minimum requirements have been increased from 7 low speed events to 10 within the preceding 18 months. A 3 yr expiration date will be in effect on all licenses, and a minimum of one high speed event will be required within that 3 yr period to renew it. A new supply of licenses will be issued in 2000 to all RCD's, who will receive applications from all governors detailing club members attendance at low speed events for license issuance.
- Tire language for Group I-S was defined. A street tire must have a tread wear rating of greater than 110 and be originally produced with greater than 8/32 inch of tread. Any tire not meeting these requirements will be placed in Group I.
- Air cooling of brakes in Groups I-S, I, & II is now allowed, and air foil are allowed now on Group II cars.
- Group III Mod seat belts must be dated within the past 5 yrs.
- Helmets: From now til Jan 1, 2001 the current SNELL or DOT 85 is allowed, after this date, SNELL or DOT 95 will be required.
- POINTS: Group FTD winners will now be awarded 10 points, up from 9, and OVERALL FTD winners will receive 11 points, up from 9. A separate FTD in Group I-S will be added for pre-1984 and 1984 & up.
- Tire sizes; Must be correct for class and axle, ie: no 17x11 rims on front.
- The business manager is checking into the cost of high speed events' insurance to be included in our premiums.
- A question Brian asked was if a handicapped driver wanted to enter an autocross, can he? Answer: as long as he is duly licensed, signs all the waivers, and appears to be able to reasonably operate the vehicle, YES he may enter.
- E-MAIL address for Craig is [valleyvettes@geocities.com](mailto:valleyvettes@geocities.com), and for Brian is [racingfast@yahoo.com](mailto:racingfast@yahoo.com)

## **REGIONAL EXECUTIVE'S REPORT: Jeff Port.**

A proposal is being considered to increase our dues by \$5 to help support the national raffle fund. The 1999 winner opted for the \$20,000 in cash, and we sold the car back to the dealer for \$37,000, making \$4000 profit on it. However, such a proposal will be met with resistance; can you spell the word extortion? The raffle made \$15,000 for the NKF. They will still recognize the clubs with 100% participation with an award. One ticket must be bought for each club member.

All governors have or will receive their national ballots. Please follow all instructions included and make sure the postmark is before Nov 1, 1999. The only by-laws/standing rule ballot Jeff had a reservation about was the second page where they want to delete the sentence that a club can be represented only once on the E-board. The remainder of the proposals are OKAY. Ask your clubs opinions on convention locations and vote accordingly.

Trademark usage: If you received a letter from Gm regarding the use of their logo, please retain it for your records. It is a legal document. They appear to be waiving the \$500 fee originally requested.

First card rebates: We are seeing some rebates from member usage of this credit card.

Bluebars: deadline is Dec 1, 1999 for submissions.

2000 convention room rates are \$99 per nite, not \$300 as noted previously

2001 National Governors meetings will be held in ST LOUIS, MO, instead of Louisville KY. Of our 31 clubs, only 15 responded with a vote for this change of location.

Our Web page now has flyers and competition points on it, and is getting 300 hits a month.

### **OLD BUSINESS:**

Year 2003 convention is beginning to take shape. George Gallant, heading this project, handed an outline of events and duties. He was the coordinator in 1990 and the region profited about \$8,000 for his efforts. We need this profit again, so let's all help however we can. Among the positions needed are:

Director of .....Hotel/lodging; registration; awards; computer tech person; social activities; youth program; corvette mall; convention shirts and sports; banquet and parties; refreshments.

Events planned are concours, funkannas, rallye, low and high speeds, 1/4 mile drags. Possible other events are how to seminars; and a driving school. Call George with any suggestions or volunteers at

410 838 2355 or 410 939 1965. He needs to know the clubs feelings on this. A commitment by the DEC governors' meeting is required of the region in general. Anyone wishing to help should have a resume prepared to outline their ability.

Region nominations: George Gallant accepted a nomination for RE, and Brian Gallagher accepted a nomination for RCD, with the condition that some of the duties be divided among other members. Greg Morin, CMCC governor proposed this idea and was met with agreement. Karen Port and George Fanucci offered their services. The office of secretary which Brian already accepted will be put back for nominations in Dec. The previous candidates for Treasurer and RMD were approved.

### **NEW BUSINESS:**

REGIONAL CALANDER: We did a calendar a few years back with pictures of members rides. Jeff looked into printing one up again. We can have 500 made for about \$1,000, and sell them for \$5 each...netting a \$3 profit to the region. Ask your members if there is an interest in doing this.

**GOOD OF THE ORDER:** All the 2000 meetings have been confirmed to be at the Mechanicsburg location.

**\*\*REMINDER\*\*:** As a condition of having our meetings at the Old Country Buffet, everyone is **REQUIRED** to purchase a meal.

With no further business to be brought before the membership, the meeting was adjourned at 1:45 PM. The next **East Region Meeting will be held 11Am, Saturday Dec 4, 1999, at the Old Country Buffet in Mechanicsburg, PA** \*\*\*\*\*NOT THE SAME LOCATION OF OCTOBER MEETING\*\*\*\*\*

Respectively Submitted,

*Brian K. Gallagher*

East Region Secretary

# EAST REGION NCCC --Minutes...Dec 4, 1999

**SECRETARY'S REPORT:** Brian Gallagher. A motion was made, seconded, and approved to accept the secretary's report, as mailed to all governors. Brian confirmed with all the new governor changes, everyone has received their post cards denoting the meetings. Any address changes must be given to George, and then to Brian. Note: as of Jan 1, 2000, the **East region Secretary will be CHRIS CHIPPIE of CPCC**. Welcome Chris!

**TREASURER'S REPORT:** Karen Port. Karen handed out register reports dated 1/1/99 thru 11/29/99; stating our balance for the period at **\$3,107.45**. It was reported in Oct that we had a total loss on the raffle of (\$285.00). A correction was made that we made **\$165** instead. Also, the trophy fund has brought in \$948, with approximately **\$500 still due. This money should be sent to Karen Port 1371 Seibert Rd, Bellefonte, PA 16823**. Our Ginnae Mae fund has **\$3,725.61** and it appears we will not have to dip into this to sustain ourselves. A motion was made, seconded, and approved to accept the treasurer's report as presented. All in favor.

**REGIONAL MEMBERSHIP DIRECTOR'S REPORT:** George Fanucci. We renewed 1994 members. Some clubs have credit coming from NCCC. There is a new application for NCCC which has a second line for a spouse on the same paper, however you are asked to use all the old forms up first.

**REGIONAL COMPETITION DIRECTOR'S REPORT:** Craig Kahle/ Brian Gallagher.

The end of year competition report was handed out. CVCC is ranked number one club, followed by CPCC, GBV, LCCC, & BACC. Overall Men's division top spot is JAY GIFT, CVCC, Women's division is SALLY WALTER, CVCC.

- Brian attended the National Governor's Meeting in Louisville in Nov. Our liability insurance package has been renegotiated and will be for a three year period now. Included in this package will be increased liability amounts, previously paid for entirely by the individual clubs requiring it. You as a Governor, will need to keep the insurance binder for this period as proof of insurance. A reminder was made to report ALL INCIDENTS or ACCIDENTS, no matter how small they may be.
- A discussion was held regarding muffler replacements for Group I-S cars? Per the rule book, it must meet three criteria: It must be commercially available; mount under the car; and in the original location. It must meet OEM sizes, and also meet the individual event sound requirements.
- All RCD's were given a complete copy of the revisions for the 2000 rulebook. All Governors, Regional Officers, and National Officers will receive a copy directly mailed to them. All members will receive a coupon in their membership perks packet which must be returned by 5/1/00 for a set of inserts free of charge. After 5/1/00, the inserts or a complete rulebook will be for sale thru the National Distribution Center of NCCC.  
NOTE: DO NOT THROW AWAY your current book.
- A question was raised whether to judge a two car class in Concours. The answer is YES. The only provision in the rule book for not judging a car is in a one car class.
- A question was raised whether an aluminum DART block was legal in MOD B cars. The answer is YES. Any Corvette or Chevrolet design engine may be used.
- The definition of tire tread depth was discussed. It was noted that Group I-S tires must have a minimum of 2/32" tread in all major grooves. If the major tread goes below this figure, the car shall be placed in Group I.
- Early runs for out of town entrants was discussed. It is permissible for clubs to run the first run of the first event, then the second run of the second event, etc; giving the out of town entrants the option of leaving early. NOTE: they will not be allowed to take their runs back to back and prior to the remainder of the competitors.
- Are upper and lower control arm bushings made from polyurethane legal in Group I, 1984 & up? NO. Bushings must be stock rubber. It was noted that GM does not sell the rubber bushings alone, however, they are available if the entire control arm is purchased.
- A quick review of the G-FORCE tires was held. The G-Force KD is a Group I-S tire and the G-Force R1 is a Group I tire.
- All events must have no ties. It should be announced at the drivers meeting how ties will be broken, ie: next fastest run, run off, coin flip, etc.
- Group I-S cars are encouraged to use additional safety equipment such as roll bars, cages, safety harnesses, etc. and remain in Group I-S.
- The following calendar changes and additions were made:

E-008 CA CONCOURS 4/23/00 HAS BEEN CHANGED TO 5/21/00

E-082 YCCC CONCOURS HAS BEEN CANCELLED

E-065 AACC CONCOURS 10/8/00 HAS BEEN CORRECTED TO SHOW THE CORRECT CLUB, WAS AACC  
THE FOLLOWING NON SANCTIONED EVENTS WERE POSTED

N-011 BCAC CONCOURS 6/4/00  
N-012 BCAC CONCOURS 9/10/00  
N-013 BCAC CONCOURS 10/15/00  
N-014 CGCC CONCOURS 9/24/00

- The procedure for 2000 events will be outlined in a letter to all Governors forth coming. An overview will be that all sanction requests will be sent to BRIAN, all flyers with checks for postage will be sent to KAREN, and all event results will be sent to BRIAN- all within the outlined due dates, or the event will be cancelled and no points allotted per the rule book.
- NOTE: on the calendar due dates: for Non Sanctioned events, the Sanction request due date reflects the 15 days required, not the 70 days that Sanctioned events require, and that the Results due date (15 days after) will be for the signed waivers ONLY, there are no results for Non Sanctioned events.
- E-MAIL address for Brian is [racingfast@yahoo.com](mailto:racingfast@yahoo.com). Phone is 570-629-5123, evenings please.

#### **REGIONAL EXECUTIVE'S REPORT:** Jeff Port.

The By-Laws changes were approved at the National Governors Meeting in KY in NOV. The 2001 convention will be in Bowling Green, KY. There is a GM owners survey on the NCCC site, due in by Jan 1, 2000.

Any club with an event hosting over 50 cars is invited to use the NCCC display. Contact Larry Narwold for info and procedures. 140 Choctaw Dr, Hendersonville, TN 37075-4621, phone 615 826 2273 or e mail [larryn@taproduce.com](mailto:larryn@taproduce.com)

The NKF raffle will still recognize the clubs with 100% participation with an award. One ticket must be bought for each club member. Deadline for tickets and money to be returned is June 15, 2000.

Trademark usage: Regarding the use of the GM logos. They have waived the \$500 fee originally requested, and have modified the statement to read: You are not permitted to have any writing INSIDE the bow-tie emblem.

Our Web page now has flyers and competition points on it, and is getting 300 hits a month.

<http://members.aol.com/ernccc1/ernccc.htm> check it out.

#### **OLD BUSINESS:**

A motion made by Greg Morrin was seconded and approved to submit a bid for the Year 2003 convention. George Gallant, our 2000 RE, has spoken with Jim Harris, the convention advisor. We need to submit our formal application Feb 2001. A majority of the governors in attendance were in favor of tying the convention in with the Corvettes at Carlisle events. Dave Walter will contact Carlisle Productions regarding some press. We will also research out accommodations between Carlisle and WV, where the speed events will take place. Note that multiple clubs can work on single events. We will need volunteers for all facets of this. Call George with any suggestions or volunteers at 410 838 2355 or 410 939 1965. Anyone wishing to help should have a resume prepared to outline their ability.

**NEW BUSINESS:** Proxy Vote forms (5) were handed out to all governors and are due back by the JAN meeting. These are used by the RE at the National Meetings to insure your clubs voice is heard. If you do not have any, contact George Gallant before the meeting. They require a club seal, notary, or a second club member's signature. Also, an Internet publicity form with your clubs pertinent info is available and Jeff Port will accept them for addition to our web site.

**GOOD OF THE ORDER:** Chris Chippie, CPCC, has accepted the regional secretary position from Brian. Welcome Chris!

**\*\*REMINDER\*\*:** As a condition of having our meetings at the Old Country Buffet, everyone is **REQUIRED** to purchase a meal.

With no further business to be brought before the membership, the meeting was adjourned at 1:55 PM. The next **East Region Meeting will be held 11Am, Saturday Jan 15, 2000, at the Old Country Buffet in Mechanicsburg, PA**

Respectively Submitted,

*Brian K. Gallagher*

East Region Secretary.
