Dave Walter bought up the idea of NCCC sanctioning drivers schools. Bambi will bring this issue up again at the National Competition Meeting in Louisville.

### **Regional Executive Report - Bill Trethaway**

Bill handed out the New East Region Corvette Club Map. It shows the location of all 30 East Region Corvette Clubs by state. It also shows the outline of all (five) 5 states that make up the East Region. He also handed out a list of clubs by city corresponding to the locations on the map.

He handed out an agenda for the NCCC National Convention which is being held on July 12-20, 1997 in Cleveland, Ohio. He noted that on Tuesday, July 15, the party theme is Regional Hospitality night. Regions are asked to supply their favorite drink and a snack. A motion was made, seconded and passed for the East Region Members going to convention to participate in an East Region Hospitality Room.

Bill noted that a one page description was sent out the January regional minutes concerning the Corvette Museum. Bob Deitsch sent a letter out to all club governors about the issue of financial difficulty at the Museum which he presented at the January Regional Governors Meeting. The National Governors Meeting Minutes from February contained information about the museum status which was presented by the Executive Director of the museum.

Bill also delivered 1997 NCCC Raffle Tickets from Patrick Dolan, NCCC Director of Charity, to all governors present. There is an award called the "National Kidney Foundation Gold Medal Award" which will be given to every club that sells one NCCC raffle ticket for each member in their club. The National Kidney Foundation became our national charity for the first time in 1996. \$68,640

A question was raised about the checks from the East Region Newsletter. Jeff Port said he just mailed them out a couple of days ago. Let him know if you don't receive yours.

### **New Business**

A clarification was asked for concerning FTD trophies and points when master grouping for pre-84 and 84 and up FTD points are given regardless of master grouping. FTD points are awarded by group in accordance with the rulebook. Master grouping only applies for trophies.

Greg Gable of YCCC asked about classifying race prepared cars for Concours. Bambi noted that per the NCCC rulebook, they must meet race prepared requirements which includes a rollbar and proof of racing. (rulebook Section 8 4 2)

George Skalkas of NVCC reported that his club is considering having their annual "Spooktacular" at Summit Point Raceway instead of Old Dominion Speedway. George asked if any clubs would be interested in splitting the costs with NVCC. The event is scheduled for Oct 18 & 19, 1997. They want to have a highly attended event to cover the cost of the racetrack. Summit Point charges \$3850 a day for the big track and \$2500 a day for the Jefferson circuit.

Dave Walter announced that his club, CVCC, will be holding a driving school at Pocono on May 3&4. He will be mailing registration forms shortly.

George Fanucci announced that CCNEPA will be holding a driving school on Memorial Day at Pocono. Details will sent out in the next couple of weeks.

Bob Dietsch and Terry Popkin of the Corvette Club of America made a presentation to the East Region concerning the current financial status of the National Corvette Museum. They reported that apparently the National Corvette Museum is \$22 million in debt. They wanted to know if NCCC was aware of the seriousness of the Museum's financial debt. The Corvette Club of America's Board of Directors has determined that their club should take an active role in suggesting and evaluating possible solutions and then formulate a plan that would enable the National Corvette Museum to eliminate a substantial portion of the debt. One of the possible solutions that CCA is considering is to make all members of NCCC also members of the National Corvette Museum. It was noted that the NCCC East Region is a Founding Member of the National Corvette Museum.

The following resolution was made, seconded and passed by the East Region Governors present:

"The NCCC East Region supports the Corvette Club of America in their endeavor to save the National Corvette Museum and to inform the National Council of Corvette Clubs Board of Governors of the National Corvette Museum's current financial situation."

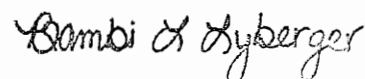

George Fanucci thought that it might be a good idea for each of the East Region officers to mention the National Corvette Museum's financial situation at their respective meetings on Friday night in Louisville, KY. This would bring attention to the matter before it is brought forth for discussion on the floor of the National Governors Meeting on Saturday.

A question was raised about two people owning a car jointly but living at different addresses with both names listed on the title and registration. Wanted to know if this was allowed for Concours or not. Bambi will check into this.

Dave Walter of CVCC asked if any of the governors would be interested in having name badges made. The cost is \$6.00. Contact Dave if you are interested.

The next East Region Governors Meeting will be held at the Sheraton Inn in Harrisburg, Pennsylvania at 11:00 AM on Saturday, April 12, 1997.

Respectfully submitted,

Bambi Lyberger  
Regional Secretary

## THE NATIONAL CORVETTE MUSEUM

The National Corvette Museum is a 68,000 square foot superstructure displaying Corvettes and Corvette memorabilia located across the street from the Corvette Assembly Plant in Bowling Green, Kentucky. The 11-story yellow and red conical structure is one of Kentucky's major tourist attractions and houses 50 models from Corvette's 44-year history. The National Corvette Museum is a non-profit, public foundation incorporated in the state of New Mexico and exempt from federal income taxation. Contributions to the National Corvette Museum are tax deductible, as provided by law. The Grand Opening of the home of the American icon - the Chevrolet Corvette, was held in September 1994.

The \$15 million required to build the National Corvette Museum was raised publicly and privately. The advance fundraising activities brought in \$4 million and the remaining money came from the following two loans: (1) a 1st Mortgage of \$7 million and (2) a County Bond of \$4 million. The loan repayment schedule calls for the following annual payments:

<u>\$7 Million 1st Mortgage</u>		<u>\$4 Million County Bond</u>	
Interest	8.50%	Two Payments Per Year	
Years	30	June Payment	\$267,000
Monthly Payment	\$53,824	December Payment	\$107,000
Annual Payment	\$645,888	Annual Payment	\$374,000

$$\text{Total Annual Payment} = \$645,888 + \$374,000 = \$1,019,888$$

The National Corvette Museum is owned and operated by the National Corvette Museum Foundation. The Foundation performs its functions with an Executive Committee and a Board of Directors. The National Council of Corvette Clubs has a seat on the Board of Directors. The Executive Committee is responsible for the financial affairs of the Museum. For some unknown reason, the Executive Committee does not share information about the Museum's financial status with the Board of Directors.

On Monday, January 6, 1997, the unveiling of the 1997 C5 Corvette took place simultaneously at the Detroit Auto Show, the Los Angeles Auto Show and the National Corvette Museum. An organization known as the "Vette Net" formed on the Internet and learned of the Museum's financial difficulty. The "Vette Net", headed by Jim Van Dorn, raised \$70,000 for the Museum on January 6, 1997 at the C5 introduction in Bowling Green. The "Vette Net" plans to continue its efforts to raise money for the Museum.

The National Corvette Museum appears to be in serious financial trouble. It has been reported that there is not enough money coming in to pay for the scheduled loan payments. The Museum lists the following sources of revenue: (1) museum attendance, (2) gift shop sales, (3) memberships, (4) brick sales, (5) corporate sponsorships and (6) fund raising. Wendell K. Strode, the new Executive Director of the Museum, is working on ways to increase revenue from each revenue source.

Three members of the Corvette Club of America were at the National Corvette Museum for the unveiling of the C5 Corvette on January 6, 1997. While they were there, they learned of the financial plight of the National Corvette Museum. Upon returning home, they presented the information about the Museum's financial status to the Corvette Club of America's Board of Directors. CCA's Board determined that their club should take an active role in suggesting and evaluating possible solutions and then formulate a plan that would enable the National Corvette Museum to eliminate a substantial portion of the debt. Members of the Corvette Club of America attended the East Region Governors Meeting on Saturday, January 18, 1997 and told the East Region Governors what their club was planning to do to aid the Museum. The Corvette Club of America is seeking to enlist the support of the NCCC East Region and the National Council of Corvette Club's Board of Governors in finding a solution to the National Corvette Museum's financial problems.

### **Regional Executive Report - Bill Trethaway**

Bill handed out the New East Region Corvette Club Map. It shows the location of all 30 East Region Corvette Clubs by state. It also shows the outline of all (five) 5 states that make up the East Region. He also handed out a list of clubs by city corresponding to the locations on the map.

He handed out an agenda for the NCCC National Convention which is being held on July 12-20, 1997 in Cleveland, Ohio. He noted that on Tuesday, July 15, the party theme is Regional Hospitality night. Regions are asked to supply their favorite drink and a snack. A motion was made, seconded and passed for the East Region Members going to convention to participate in an East Region Hospitality Room.

Bill noted that a one page description was sent out the January regional minutes concerning the Corvette Museum. Bob Deitsch sent a letter out to all club governors about the issue of financial difficulty at the Museum which he presented at the January Regional Governors Meeting. The National Governors Meeting Minutes from February contained information about the museum status which was presented by the Executive Director of the museum.

Bill also delivered 1997 NCCC Raffle Tickets from Patrick Dolan, NCCC Director of Charity, to all governors present. There is an award called the "National Kidney Foundation Gold Medal Award" which will be given to every club that sells one NCCC raffle ticket for each member in their club. The National Kidney Foundation became our national charity for the first time in 1996. \$68,640

was raised for the National Kidney Foundation from the selling of 1996 NCCC raffle tickets. Statistics show that 40,000 individuals in the United States are waiting for a kidney transplant.

The 1997 NCCC Charity Raffle Car will be purchased in Ohio just before convention in July. The National Kidney Foundation will benefit from the sale of raffle tickets again this year. East Region clubs are encouraged to sell as many raffle tickets as they can.

### **Old Business**

The National Corvette Museum Corvette Assembly Plant Tour has been rescheduled from May 1997 to Friday, September 12, 1997 as part of the September National Governors Meeting. There will be two cost options: (1) \$15.00 if you meet in Bowling Green, get a box lunch, have a tour of the factory and a visit to the Museum and (2) \$25.00 for bus transportation from the Executive West to Bowling Green and return, a box lunch, a tour of the factory and a visit to the Museum.

### **New Business**

There are three NCCC meeting site proposals being considered for 1998, 1999 and 2000. They are as follows:

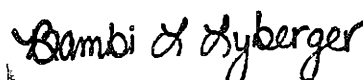

- |                     |                      |                             |
|---------------------|----------------------|-----------------------------|
| 1) Indianapolis, IN | Adams Mark Hotel     | \$74.00 per night room rate |
| 2) Louisville, KY   | Executive West Hotel | \$58.00 per night room rate |
| 3) St. Louis, MO    | Henry VIII Hotel     | \$64.00 per night room rate |

A motion was made, seconded and passed to allow the East Region Officers to vote for the NCCC meeting site that would be best for the East Region governors (either Indianapolis or Louisville).

A discussion took place concerning gathering all of the NC proxy, competition and membership information together into an "East Region Handbook". A sample handbook developed by NCCC several years ago could be used as a guideline. Bill, Bambi and George will review and discuss the information that they feel is appropriate for an "East Region Handbook".

The next East Region Governors Meeting will be held at the Sheraton Inn in Harrisburg, Pennsylvania at 11:00 AM on Saturday, June 21, 1997.

Respectfully submitted,

Bambi L. Lyberger  
Regional Secretary

#### Treasurer's Report - Bill Trethaway for Karen Sellers

Bill handed out and reviewed the following financial documents:

Register Report (4/10/97 through 6/16/97)  
Cash Flow Report (1/1/97 through 6/16/97)

A motion was made, seconded and passed to accept the Treasurer's Report as presented

## **Membership Report - Bill Trethaway for George Fanucci**

Bill handed out and reviewed the following membership documents:

- 1) NCCC Membership report as of May 9, 1997
- 2) East Region Membership List for use when doing competition results
- 3) Breakdown of East Region Members by club
- 4) List of clubs showing how many members have joined each month
- 5) Map of the region showing each club's location

## **Competition Report - Bambi Lyberger**

Bambi handed out the 1997 East Region Competition Calendar as of June 16, 1997. She also handed out and reviewed the East Region Point Standings

Bambi went over the items covered in the May 1997 National Competition Committee Meeting in Louisville, Kentucky

She has the NCCC result form in Excel on disk. Contact her if you want a copy

Bambi noted that there have been some problems with results. Classes and scores must be listed whether it is an autocross or a People's Choice Concours. All classes need to be grouped together.

East Region Member patches are in and for sale for \$4.00 each or 3 for \$10.00. Bill Trethaway has the patches. Contact him if you want to purchase them before the next Regional Meeting.

Bambi asked if any governors had any ideas they would like brought up at the National Competition Committee Meeting in Cleveland, Ohio. Dave Walter brought up the idea of NCCC sanctioning drivers schools. Stan Bachmura mentioned the idea of splitting up the late model (1984-1996) classes in concours.

Bambi noted that participation seems to be down almost 50% since last year. One reason might be that the entry fees for events are getting out of hand. One idea mentioned was to give out a coupon for \$8.00 or some monetary amount for the clubs next event instead of trophies.

Money in the Ginny Mae is dwindling fast. By the event of next year, it will be gone. We need to think of a way to get funds into the East Region treasury such as a regional event weekend where all proceeds go to the region.

## **Regional Executive Report - Bill Trethaway**

The NCCC National Convention is being held on July 12-20, 1997 in Cleveland, Ohio. Bill noted that on Tuesday, July 15, the party theme is Regional Hospitality night. Regions are asked to supply their favorite drink and a snack. The region voted at the April Regional Meeting to participate in this event.

FSCC O C Weekend is still being held on September 26-28. Flyers have been mailed out for the event.

The NCCC National Governors Meetings will be held in Louisville, KY and Bowling Green, KY for the years 1998, 1999, 2000.

Bill handed out an "East Region Handbook" which he put together. The handbook contains general information about the East Region, competition guidelines prepared by Bambi Lyberger, membership guidelines prepared by George Fanucci and regional executive guidelines prepared by Bill Trethaway. Bill and Bambi reviewed the new two page section regarding "East Region Competition Awards" that are supported by the East Region Trophy Fund. Each club will receive a copy of the handbook for their use and reference. The handbook cover allows for easy photocopying of the contents as well as easy replacement of sections when they have been revised or updated.

### Treasurer's Report - Karen Sellers

Karen handed out and reviewed the Treasurer's Report in the following two parts:

1. Cash Flow Report for the period from August 12, 1997 to September 30, 1997.
2. Register Report for the period from August 12, 1997 to September 30, 1997

A motion was made, seconded and passed to accept the Treasurer's Report as presented.

### Regional Membership Director's Report - George Fanucci

George recently mailed a 1998 NCCC Membership Renewal Package to each East Region Governor. George received the NCCC Renewal Packages from Gail Dawley, NCCC VP Membership, at the September National Governors Meeting in Louisville. National will reimburse George for the postage since it is their responsibility to mail out Membership Renewal Packages and not the East Region. If you did not receive a 1998 NCCC Renewal Package, call George immediately. George reviewed the Membership Renewal Process. He noted that Automatic Renewals should be listed on a separate page and not written on the printout. He also asked all governors to check all of their club members addresses as they appear on the NCCC Printout to make sure that they are up to date. Any changes should be included on new membership forms and sent in with the 1998 NCCC Renewal Package.

George reported that the following Corvette Club has joined the East Region:

ER-442      Eastern Shore Corvette Club  
Governor:   John Buchanan  
27915 Cross Creek Drive  
Salisbury, MD 21801-2430  
Phone: (410) 548-7109

George reminded the governors that now is the time to start thinking about NCCC renewals. The deadline for Membership Renewals has been moved up to November 15, 1997 and will not be extended!!

Regional Competition Director's Report - Bill Trethaway for Bambi Cox

Bambi's new address is: Bambi Cox  
East Region Competition Director  
P. O. Box 1069  
Boiling Springs, North Carolina 28017  
Phone: (704) 434-0176

Bill noted the following changes to the "1997 East Region Competition Calendar":

<u>Add:</u>	E-081	AACC Autocross	10-26-97
<u>Add:</u>	E-082	AACC Autocross	10-26-97
<u>Add:</u>	E-101	CVCC Rallye	11-22-97
<u>Add:</u>	E-102	CVCC Rallye	11-22-97
<u>Add:</u>	E-103	CVCC Funkhana	11-23-97
<u>Add:</u>	E-104	CVCC Funkhana	11-23-97

Bill distributed copies of the "East Region Competition Report" (September 12, 1997). He reviewed all of the standings (Overall Points, Clubs, Autocross, Concours, Rallye and Workers) Bill also reviewed the "Trophy Fund Data" and encouraged all clubs that owe money to send it to Bambi as soon as possible.

The South Sectional, hosted by the Queen City Corvette Club, will be held on May 30 and 31, 1998 at the North Carolina Motor Speedway. The North Sectional, hosted by the Tiretown Corvette Club, will be held on August 1 and 2, 1998 at the Mid Ohio Sports Car Course. According to the NCCC Rulebook, all awards must be sent to the winners within 30 days of the event.

Stan Bachmura of County Corvette Association complained about the two flyers that he received from Bambi related to two Non-Sanctioned Events hosted by Boardwalk Corvettes of Atlantic City. He attended one event and expected to receive points, but was told that he would not since it was a Non-Sanctioned Event. Stan recommended that such flyers should indicate "**NON SANCTIONED EVENT**" in big, bold letters and should not look like standard NCCC Flyers.

The governors selected the event dates for the 1998 East Region Competition Calendar at this meeting.

Regional Executive's Report - Bill Trethaway

Since there was only one nomination for each office, Bill Trethaway cast one vote for each candidate for the 1998 NCCC East Region Offices. The following members were elected to fill the regional offices in 1998:

Regional Executive	Jeff Port	USA-1
Regional Competition Director	Bud Benton	AACC
Regional Membership Director	George Fanucci	CCNEPA
Regional Treasurer	Karen Sellers	USA-1
Regional Secretary	Brian Gallagher	ICV

Bill distributed a list of East Region Clubs with Club Patches on display at the National Corvette Museum. This list was provided by Larry Narwold, NCCC Director of Public Relations, at the September National Governors Meeting. Bill encouraged the other clubs in the East Region to send Larry a patch for display at the Museum. Larry Narwold's address is in the front of each issue of "Blue Bars".

A discussion took place about the status of NCCC with the Internal Revenue Service concerning filing NCCC tax returns and the penalties that NCCC had to pay. NCCC has paid penalties totalling \$16,880 for 1990, 1991, 1992 and 1993. IRS said NCCC was eligible to get \$13,440 back leaving a loss of \$3,440. However, the interest on the \$13,440 at a rate of 6% for the 18 months that IRS has held the money means that NCCC will only be out about \$1,000 when all is said and done. NCCC voted to accept the IRS offer.

Bill presented a comparison of the NCCC National Conventions for the following three years:

★ 1997 Cleveland, Ohio      ★ 1998 St Louis, Missouri      ★ 1999 Denver, Colorado

Bill handed out the results of the 1997 NCCC Newsletter Contest. County Corvette Association and Northern Virginia Corvette Club entered from the East Region.

Jeff Port of USA-1 Corvette Club reported that his club is considering holding an East Region Spectacular in the State College, Pennsylvania area to help raise money to support the East Region. They are looking at dates in the Spring of 1998 and are seeking other clubs that would be interested in helping out. Events would include Autocross, Concours and Rallye with a possible tie-in with an East Region Awards Banquet.

Bill reminded the governors that the following NCCC National Officers will be elected to serve two-year terms as a result of the 1997 National Election: Vice President of Competition, Secretary, Business Manager and Sergeant-at-Arms. Bill noted that the only candidate for each office was the incumbent who was seeking a second two-year term.

Besides the ballots for National Officers, each governor will also receive ballots for two By-Law Proposals and a ballot for the location of the 1999 NCCC National Convention. The first By-Law Proposal is to change the NCCC Fiscal Year to the Calendar Year. The By-Laws Committee recommends a vote "For" this proposal. The second By-Law Proposal concerns a proposed change in the duties of the NCCC Regional Executive Committee. The By-Laws Committee recommends a vote "Against" this proposal. The 1999 NCCC National Convention Ballot lists Denver, Colorado hosted by the Rocky Mountain Region as the only candidate.

Bill explained the absentee ballot procedure and encouraged the Governors to send in their ballots before the deadline of November 5, 1997.

The meeting was adjourned at 1:00 PM. The next East Region Governors Meeting will be held at the Sheraton Inn in Harrisburg, Pennsylvania at 11:00 AM on Saturday, December 6, 1997.

Respectfully submitted,

Bill Irethaway  
East Region Executive

Secretary's Report: Bill Trethaway for Bambi Cox.

A motion was made, seconded, and approved to accept the Minutes from the Oct 4, 1997 East Region Governors Meeting as printed and distributed to the governors. Bill also noted the passing of 2 East Region members: Tom Wolsiffer, age 48, Governor USA-1 Corvette Club on Nov. 24, 1997, and Theresa Black, age 44, Central PA Corvette Club member on Oct. 29, 1997. Also noted was the passing of Larry Shinoda, age 79, on Nov. 13, 1997. Larry was the chief designer of the 1963 split window coupe. He was on dialysis and in declining health. A moment of silence was observed. On a brighter note, Bambi & Scott Cox had a baby daughter on Nov. 25, 1997, named Ashleigh Lynn, weighing 5lb and 4oz. Both mother & daughter are doing fine.

### **Treasurer's Report: Karen Sellers**

Karen handed out and reviewed the Treasurer's Report in the following two segments:

1. Cash Flow Report for the period from 1/1/97 through 12/2/97.
2. Register Report for the period from 10/5/97 through 12/6/97.

A motion was made, seconded, and approved to accept the Treasurer's Report as presented.

### **Regional Membership Director's Report: George Fanucci**

East Region NCCC Renewals are in. We lost 2 clubs in 1998. They are Schuylkill Valley Corvette Club and Heartbeat of America Corvette Club. The latter club was not happy with the 3 point award for a People's Choice Concours Show. It seemed like a lot of work for 3 points. We also gained one club- Eastern Shore Corvette Club from Salisbury MD. The NCCC East Region ended 1997 with 1946 members, and will begin 1998 with 1736 members. A note to all Governors: Please check your renewal list very closely. Some clubs are carrying old members and some have not added new members. Let's be as accurate as possible. George handed out a list of the 1998 East Region Officers and Governors.

### **Regional Competition Director's Report: Bud Benton**

The 1997 East Region Competition Report was handed out, current as of Nov. 18, 1997, and the only events not included are the CVCC four event weekend. Karen Sellers will process any club's Trophy Fund moneys. Please send her your checks per the report. She will make copies for the RCD. The final competition results for 1997 (dated Dec. 14, 1997) are being included with these minutes.

The following events have been added/ deleted to the 1998 East Region Competition Calendar:

ADD:	April 5, 1998	Rallye	Free State Corvette Club
ADD:	May 9, 1998	Concours	Free State Corvette Club
Delete:	May 17, 1998	Concours	County Corvette Association
ADD:	June 21, 1998	Rallye	Tri-County Vettes
ADD:	July 25, 1998	Funkanna	Corvette Club of Northeastern PA
ADD:	July 25, 1998	Concours	Corvette Club of Northeastern PA
ADD:	July 25, 1998	3 Rallyes	Corvette Club of Northeastern PA
ADD:	July 26, 1998	2 Autocross	Corvette Club of Northeastern PA
ADD:	Oct 31, 1998	Concours	Free State Corvette Club

A motion to purchase a 3 year supply of Regional Awards patches was made, seconded, and approved. A discussion on continuing to use Moritz Embroidering was held; a motion was made, seconded, and approved to continue. A discussion on inviting the 1997 Regional Award winners to a Governors meeting for awards presentation was held. A motion was made, seconded, and approved to invite all winners to the March 21, 1998 Regional Governors Meeting for an official presentation. Free State Corvette Club Governor Patricia Rudick also invited them to their Ocean City Weekend for a second presentation if so inclined. This was not part of the motion; only a suggestion.

Lonnie Jackson, Governor LCCC made a suggestion that flyers contain a "NO REFUND" note on them to avoid any conflicts when a pre-registered entrant must cancel attending an event. A discussion was held and it was felt a regional decision should be made. This was tabled for further discussion.

Governor Info Packets for the 1998 East Region Competition Season are done. Paperwork deadlines are included. We will extend the format of listing points leaders past 10 positions, to give everyone an opportunity to see where they rank. Carl Smith will recalculate the center of the Region now that new clubs have been added, using the RAND MCNALLY trucker's atlas.

#### **Regional Executive's Report:** Bill Trethaway

Bill held a discussion on NCCC statistics regarding past & present membership. 1998 Regional & National meeting dates were identified as well as the National Officer election results. There will be a national newsletter contest again for 1998, with the top 5 clubs receiving an award. Bill distributed an Order form for 1998 NCCC National Convention sportswear for anyone who wants to order convention clothing by mail. Our NCCC insurance rates will not change for 1998. The 1998 Convention, to be held July 11, 1998 through July 19, 1998 in St. Louis, MO, has rooms set aside at \$65/night. A note to all Governors: the Regional Executive needs 5 proxies from each governor. These proxies need the 1998 governor's name, the 1998 Regional Executive's name, and a club seal or notary seal. Make sure your proxies are complete. To be in good standing, each club must be represented either in person or by proxy at 3 of the 5 national meetings. There is discussion at the National level to do away with proxies and only have those in attendance vote on issues. We, as the East Region, are opposed to this.

The NCCC raffle car for 1998 will be a red 1998 Corvette convertible. The National Kidney Foundation will again award clubs that sell one ticket for each member, a Gold Medal Award. Last year, Perry County Corvette Club attained a 100% award, and the Capital Area Corvette Club received a 500% award- meaning they sold 5 tickets for every club member.

This year's Dream & Drive was a success. The region was paid \$840 to help host the Cadillac event. We had 10 people volunteer from AACC & CPCC, and each were paid \$40 for the day, netting \$440 to the region.

The region is considering a hospitality space at Corvettes at Carlisle for 1998. John Starry, Governor CCNEPA will look into this.

There will be a new editor of BLUE BARS. Look for a picture of the 1998 Corvette Indy Pace car- a Radar Blue convertible with yellow seats & wheels. This color actually looks like purple- so you cannot miss it. List price is \$44,990 + \$2,800 for the Pace Car Option. There will be 1,158 made.

Bill reviewed a list of the 1997 NCCC East Region Accomplishments. We should be proud of what we did for 1997.

The Sheraton Inn here in Harrisburg has raised their rates for 1998. Currently, we get the room for free if we buy a minimum of 20 lunches, which run about \$11.50 with gratuity. We charge \$10.00 per member with the Region picking up the balance. Besides the increase, the Jan & March dates for our meetings are not available. Bill checked on an alternative site; namely the Old Country Buffet in Harrisburg, PA. It is real close to our current location. There would be no room charge, however they also request we purchase a meal. They offer breakfast, lunch, or dinner; and all prices are under \$9.00, so there would be no Regional expense. A motion was made, seconded, and approved to move all six 1998 meetings to this location. It is off I-83 at Exit 30- Colonial Park- on Rt. 22 East, approximately 1.5 miles in the Hills Shopping Center. The phone is (717) 657-6290, and the address is 5043 Jonestown Rd.

**Good of the Order:** Aquia Creek Corvette Club

Members of the ACCC are beginning a *63-67 Sting Ray Registry*, similar to the ZR-1, etc. Enclosed is an application for distribution to any members interested. This is a good idea that should meet with a good response.

It was also requested that we get name tags for all attendees to benefit the new slate of governors. Karen Sellers will bring some "Hello" tags for us.

The December 1997 East Region Governors meeting minutes are being sent to all 1997 Governors. If any club has a Governor change for 1998, please forward these minutes to the new Governor.

An address change was noted for Jeff Port. It is: 156 Creekside Dr. State College, PA. 16801. Phone (814) 867-2304 (H); (814) 231-2612 (H); (814) 238-3066 ext. 109 (W).

Due to a conflict in availability, the Harrisburg Old Country Buffet is not able to host our January meeting. An alternative site, the Old Country Buffet in Mechanicsburg, Pa. is available. Enclosed are menus with directions for this location; located off Rt. 81, Exit 19- Rt. 581, then at the intersection of U.S. 11 (**Carlisle Pike**) behind Bob Evans Restaurant. The address is 165 Gateway Dr., and the phone number is (717) 691-8790.

With no further business to be brought before the membership, the meeting was adjourned at 12:50pm. The next East Region Meeting will be held at the *Old Country Buffet* in Mechanicsburg, PA on Saturday Jan. 17, 1998 at 11:00 AM.

Respectfully submitted,  
*Brian K. Gallagher*  
East Region Secretary

## 63-67 STING RAY REGISTRY

Organized in November 1997 the 63-67 STING RAY REGISTRY's purpose is to preserve and promote the Midyear Corvette. The goal of the 63-67 STING RAY REGISTRY Corvette Club is to allow owners of Americas favorite sports car to share great memories and stories from our past, share information, to have fun driving and showing our cars, and to organize to become the crown jewel of car shows everywhere.

**Registry** members are entitled to our membership card, Midyear poster, discount program, technical information, and our bi-monthly Newsletter entitled "MIDYEAR".

Dues are \$50 per year. Enroll today, just fill out the membership application below. Become a member of what will be the largest and fastest growing Registry. Those who join the 63-67 STING RAY REGISTRY Corvette Club now will be entitled to our CHARTER Member Certificate.
